

W280CV 103.7 SCRANTON APPLICATION INFORMATION

This application proposes to modify LMS 0000147023 which further modifies BLFT-19900719TD, the W280CV License. This application proposes a different power, height, location, antenna, and frequency. Included as an exhibit is a map showing that this proposed location's 60 dBu contour overlaps the current Licensed 60 dBu contour of W280CV. As such, a Minor Change is allowable.

It should be noted that this FM Translator proposal will rebroadcast the HD3 channel of commercial FM station WWRR, Scranton, PA (Fac. ID number 36508).
