

Unrated Market—Multiple Ownership Statement

Lightner Communications LLC is also the licensee of WBRX-FM, and WYUP-AM, which have very minor overlap with WCRO's 2mV/m contour. Johnstown, PA has 60dbu or 2 mV/m coverage from the following stations: WJHT-FM, WKYE-FM, WFGI-FM, WPCL-FM, WRKW-FM, WOWQ-FM, WLKJ-FM, WQCK-FM. WNTJ-AM, WNTI-AM, WKGE-AM. The proposed transaction complies with the FCC's multiple ownership rules because in a market with 14 or fewer radio stations an entity may own up to five (5) radio stations (no more than 50%, and no more than 3 from the same service). Here, Lightner Communications LLC will own one (1) FM and two (2) AM radio stations.
