

### Gradual Board Changes Over Time

The most recent point at which the Commission had the opportunity to pass on the control structure of Evangelistic Alaska Missionary Fellowship, Inc. was in connection with its application for construction permit for KJHA, Facility ID No. 77894, Houston, Alaska, File No. BPED-19950906MI, granted July 26, 2006. At that point, the directors of the licensee were Genevieve L. Nelson, Richard T. Olson, Yvonne L. Carriker, David Ainley, and Merlyn C. Skold.

Over the following years, two of those directors ceased being members of the board and were replaced, so that by the time that the 2019 biennial ownership report was filed, the directors were Richard T. Olson, Yvonne L. Carriker, Merlyn C. Skold, Clyde Jones, and Marvin Carroll.

Then, in May of 2021, Clyde Jones died and was replaced with his son, Dennis Jones. Even with this change, however, a majority of the directors (3/5) remained as previously approved.

At this point, two additional directors are retiring, and it is proposed that they be replaced by two directors, Reginald Swedberg and Joy Swedberg, whose qualifications have not previously been passed upon. With this change, only two of the remaining directors will have been previously passed upon, and this application is therefore being filed.

As set forth herein, the officers and directors will be as follows:

Richard T. Olson – President and Director

Reginald Swedberg – Vice-President and Director

Joy Swedberg – Secretary/Treasurer and Director

Merlyn C. Skold – Director

Dennis Jones - Director
