The purpose of this exhibit is to demonstrate the educational purpose of Zebra Radio Project as a California public benefit nonprofit corporation and that the proposed radio station will be used for the education, health and safety of San Simeon, Cambria and the surrounding communities and in partnership with them. To accomplish this, Zebra Radio Project will be partnering with the San Simeon Community Services District, San Simeon Chamber of Commerce, the Cambria Community Services District and the Cambria Chamber of Commerce.

Zebra Radio Project will be established as a means of educating the community on matters affecting it as well as detailing programs/individuals that socially enrich it. It will do this by:

- Producing local public affairs programming dealing with art, environment, current affairs and traveler information as a way of educating both the citizens of and visitors to San Simeon and Cambria.
- Airing local news, San Simeon and Cambria district meetings and meeting recaps as a means of educating the community on various issues.
- Playing diverse musical programming, including music featuring local artists.
- Providing weather and emergency information vital for the safety of the citizens of San Simeon and Cambria communities.
- Providing information on government health services available to the community, such as free vaccination locations.
- Provide broadcast opportunities to local residents as well as youth, seniors, local artists and musicians.
