

### WLSS(AM) STA Extension Statement

WLSS(AM) is currently operating with emergency antenna facilities pursuant to STA BESTA-20230329AAB which is expiring October 3, 2023. As previously reported, two of the four towers collapsed at the WLSS(AM) site due to Hurricane Ian. Soil analysis engineering has been completed and the licensee is working to schedule a tower crew. An extension of WLSS's STA to continue to operate with emergency antenna facilities while repair work continues is hereby requested.
