

October 2023
KJXN(FM) 286C3 South Park, WY
Modification of License - Reduction of ERP
Exhibit per §73.1690(c)(8)

The instant application reflects a reduction of the station's ERP. In accordance with the requirements of §73.1690(c)(8), the following requirements are satisfied.

- (i) The station will continue to provide a 70 dBu principal community contour over the community of license, as predicted by use of the standard contour prediction method. See attached contour map.
- (ii) There is no change in the authorized station class.
- (iii) The power decrease is not necessary to achieve compliance with the multiple ownership rule, §73.3555.
- (iv) The horizontally polarized ERP is not being decreased below the value of the vertically polarized ERP.
- (v) (does not apply to commercial stations)
