

## PROGRAMMING ON CH. 5 and CH. 10

Both stations are currently rebroadcasting the programming on Station W33ET - PSIP Channel 10, RF 33.

### 10.1 Diya TV

Diya TV is the widest distributed Asian American owned and themed television network in the United States, reaching in excess of 75 million people over the air, providing programming geared toward Indian American and South Asian interests in the United States, with programming rooted in news and investigative journalism in English, Hindi and Punjabi.

### 10.4 OANPlus

One America News Network (OAN) provides an independent source of credible national and international news around the clock. The network operates news bureaus in Washington, D.C., California, New York, and Florida. In addition, the network utilizes numerous external newsgathering sources, including US Pool feeds. OAN produces eighteen hours of live news every weekday. In addition, the network features three weekday primetime political talk shows, namely REAL AMERICA with Dan Ball, IN FOCUS with Addison Smith, and TIPPING POINT with Kara McKinney.

### 10.5 AWEPlus

AWE Plus delivers what every American dreams of – from awe-inspiring travel destinations to outrageous cars, from culinary delights to amazing homes, and much more. AWE's all inviting and vicarious living programming lineup has strong appeal across all demographics.
