RE: WJHO Fac. ID 121797 Alexander City, Alabama Silent STA Request

To Whom It May Concern,

We have been asked by Volunteer Broadcasting Inc. ("Volunteer"), licensee of WJHO 121797 to inform the Commission that WJHO has gone silent.

Volunteer has gone silent as they work to move to a new studio. All equipment has been shut down to facilitate the move and broadcasting has temporarily been silenced.

Volunteer is requesting a Silent STA as they work to work to move the broadcasting equipment to the new location. Volunteer is committed to continuing their public service as soon as possible.

Respectfully,

Charles Burkhardt, Chief Engineer
Sterling Communications, Inc.
