

Absence of Written Agreement Exhibit

This pro-forma application for transfer of control of license, to a new Board of Directors of Roaring Fork Public Radio, Inc. (d/b/a Aspen Public Radio), licensee of noncommercial educational FM Stations KAJX(FM), KCJX(FM), FM Translators K215AC and K207EO, and FM Booster KCJX-FM2, is the result of a gradual change of the board membership over several years by a self-sustaining board of directors. There is, therefore, no written agreement governing the transaction.
