Donor shall not waive any right relating to the FCC Licenses or Station.

4.2 Compliance with Laws. Donor shall comply in all material respects with all federal, state and local laws applicable to the ownership or operation of the FCC License or Station.

EXECUTION

4.4 Risk of Loss. The risk of any loss, damage, impairment, confiscation, or condemnation of the FCC Licenses from any cause shall be borne by Donor at all times prior to the Closing.

4.5 Access. Donor shall give Donee and its authorized representatives access, during normal business hours and with reasonable prior notice, to Donor's books and records related to the FCC Licenses.

4.6 Cooperation. Donee and Donor shall cooperate fully with each other and their respective counsel and accountants in connection with any actions required to be taken as part of their respective obligations under this Agreement, and Donee and Donor shall take such further actions and execute such other documents as may be necessary and desirable to effectuate the implementation and consummation of this Agreement. Neither Donor nor Donee shall take any action that is inconsistent with their respective obligations under this Agreement or that could hinder or delay the consummation of the transactions contemplated by this Agreement.

4.7 Modification Application. Upon Donee's request, Donor shall promptly provide Donee with written consent to Donee's submission, at Donee's sole cost, of application(s) to the FCC for modification of the license for the Station to a noncommercial educational license (the "**Modification Application**"). Donee shall request that any application filed pursuant to the previous sentence shall be contingent upon the FCC's grant of the Assignment Application.

SECTION 5. FCC CONSENTS

5.1 Application. The assignment of the FCC Licenses from Donor to Donee shall be subject to the FCC having given its consent (the "**FCC Consents**") to (i) the assignment from Donor to Donee of the FCC Licenses, and (ii) the Broadcast License being designated for noncommercial educational use pursuant to Section 73.1690(c)(9) of the FCC's Rules, and, at Donor's option, such FCC Consents having become Final Orders. For purposes of this Agreement, "**Final Order**" means an action by the FCC that has not been reversed, stayed, enjoined, set aside, annulled, or suspended, and with respect to which no requests are pending for administrative or judicial review, reconsideration, appeal, or stay, and the time for filing any such requests and the time for the FCC to set aside the action on its own motion have expired. The Donor may agree to waive the requirement that any aspect of said consent shall have become a Final Order. The parties will cooperate with each other so as to be able to file the applications for the assignment of licenses and the license Modification Application (collectively, the "**Applications**") within five (5) business days following execution of this Agreement by Donee and Donor. The parties shall cooperatively prepare, file, and prosecute the Applications with all reasonable diligence and otherwise use their reasonable efforts to obtain a grant of the Applications as expeditiously as practicable. If the Closing does not occur within the effective period of the FCC Consents, and neither party shall have terminated this Agreement under Section 8, the parties shall jointly request an extension of the effective period of the FCC Consents. No extension of the FCC Consents shall limit the exercise by either party of its rights under Section 8.

EXECUTION

5.2 Conditions. Each party agrees to comply at its expense with any condition imposed on it by the FCC Consents, except that no party shall be required to comply with a condition if (i) the condition was imposed on it as the result of a circumstance the existence of which does not constitute a breach by such party of any of its representations, warranties, or covenants under this Agreement, and (ii) compliance with the condition would have a material adverse effect upon such party.

SECTION 6. CONDITIONS TO OBLIGATIONS OF DONEE AND DONOR AT CLOSING

6.1 Conditions to Obligations of Donee. Unless waived by Donee in writing, all obligations of Donee at the Closing are subject to the fulfillment by Donor prior to or on the Closing Date of each of the following conditions:

(ii) The parties shall have received consent to the assignment of each of the agreements listed on Schedule 1.1(c) from the respective counterparties thereto, subject to any conditions on the consents described in Schedule 1.1(c).

(d) FCC Licenses. There shall not have been any termination, suspension or adverse modification of the FCC Licenses. Except for administrative proceedings that affect the television broadcasting industry in general, no proceeding shall be pending the effect of which could be to revoke, cancel, fail to renew, suspend, or modify adversely the FCC Licenses.

(e) Material Adverse Change. There shall not have occurred a loss or impairment of the FCC Licenses that has had or could reasonably be expected to have a material adverse effect on the business or operation of the Station.

(c) Consents.

(i) The FCC Consent shall have been granted without the imposition on Donor of any material conditions that need not be complied with by Donor under Section 5.2 hereof, and Donee shall have complied with any conditions imposed on it by the FCC Consent that need be complied with by Donee under Section 5.2 hereof.

(ii) The parties shall have received any required consent to the assignment of each of the agreements listed on Schedule 1.1(c) from the respective counterparties thereto, subject to any conditions on the consents described in Schedule 1.1(c).

Agreement. Donee or its supporting organization the WSU Foundation shall also deliver a written acknowledgement of receipt (*i.e.*, a gift receipt).

(e) No Order. There shall be no order, decree or judgment of any court, arbitrator, agency or governmental authority that enjoins the sale of the FCC Licenses to Donee.

SECTION 7. CLOSING

Subject to the satisfaction or waiver of the conditions of Closing set forth in Sections 6.1 and 6.2, the Closing shall take place on a date mutually agreed upon by Donor and Donee. If Donor and Donee are unable to reach agreement, Closing shall take place on a date set by Donee on no less than two (2) business days' notice to Donor that is (i) not earlier than the third (3rd) business day after the FCC Consents becomes Final Orders, or if the requirement for Final Orders is waived by the Donor, after the FCC Consents are granted and/or the requirement for Final Orders is waived by Donor, whichever is later (in any such case, the "**FCC Consent Date**"), and (ii) not later than the fifth (5th) business day after the FCC Consent Date; provided, that if Donee fails to provide such notice to Donor, the Closing shall take place on the fifth (5th) business day after the FCC Consent Date. SECTION 8. TERMINATION

8.1 Termination by Donor. This Agreement may be terminated by Donor and the donation of the FCC Licenses and Assets abandoned, upon written notice to Donee, upon the occurrence of any of the following:

(a) Judgments. If there shall be in effect on the date that would otherwise be the Closing Date any judgment, decree, or order, not caused by Donor that would prevent or make unlawful the Closing.

(b) Conditions. If, on the date that would otherwise be the Closing Date, Donor is not in material breach of any of its representations, warranties or covenants hereunder and any of the conditions precedent to the obligations of Donor set forth in this Agreement have not been satisfied by Donee or waived in writing by Donor.

(c) Breach. Without limiting Donor's rights under any other clause hereof, if Donor is not in material breach of any of its representations, warranties or covenants hereunder and Donee has failed to cure any material breach of any of its representations, warranties or covenants under this Agreement within ten (10) days after Donee has received written notice of such breach from Donor.

SECTION 9. MISCELLANEOUS.

9.1 Representations and Warranties. All representations and warranties in this Agreement shall be continuing representations and warranties and shall survive the closing for a period of one year, and any claim for a breach of a representation or warranty must be brought prior to the expiration of such one-year period. Any investigation by or on behalf of a party hereto shall not constitute a waiver as to enforcement of any representation, warranty or covenant contained in this Agreement. No notice or information delivered by Donor shall affect Donee's right to rely on any representation or warranty made by Donor or relieve Donor of any obligations under this Agreement as the result of a breach of any of its representations and warranties. The covenants and agreements in this Agreement to be performed after the Closing shall survive the Closing until fully performed.

9.2 Specific Performance. If Donor breaches this Agreement, monetary damages alone would not be adequate to compensate Donee for its injury. Donee shall therefore be entitled, in addition to any other remedies that may be available, including money damages, to obtain specific performance of the terms of this Agreement. If any action is brought by Donee to enforce this Agreement, Donor shall waive the defense that there is an adequate remedy at law.

9.6 Notices. All notices, demands, and requests required or permitted to be given under the provisions of this Agreement shall be (a) in writing, (b) delivered by personal delivery, or sent by commercial overnight delivery service or registered or certified mail, return receipt requested, (c) deemed to have been given on the date of personal delivery or the date set forth in the records of the overnight delivery service or on the return receipt, and (d) addressed as follows:

Neither Donee nor Donor may assign this Agreement without the prior written consent of the other; provided, however, that, without the consent of Donor, Donee may assign its rights under this Agreement, in whole or in part, to any instrumentality of the State of Washington.
