

Minor Change Request  
KBZS (FM) Wichita Falls TX  
FACID 52074  
License BMLH-20130116ACZ

This instant application requests a minor modification to the elevation and antenna type for the station. The proposal herein will be a combined operation with commonly owned KNIN-FM and KWFS-FM both of which will also be requesting a minor modification to this same antenna type and elevation.

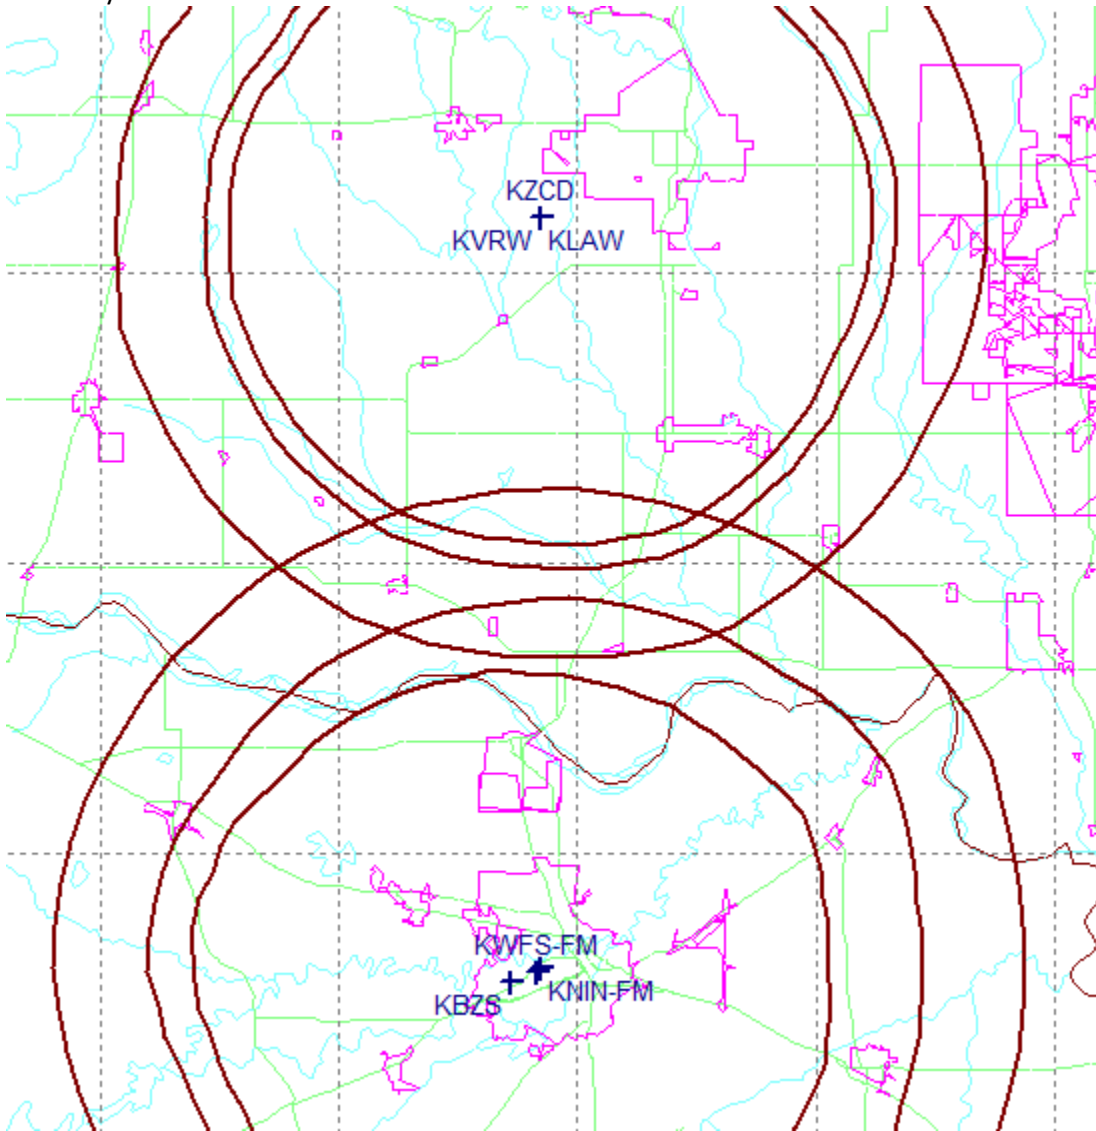

The proposal herein meets all mileage separation requirements for Class C2 under the requirements of 73.207.

## Multiple Ownership

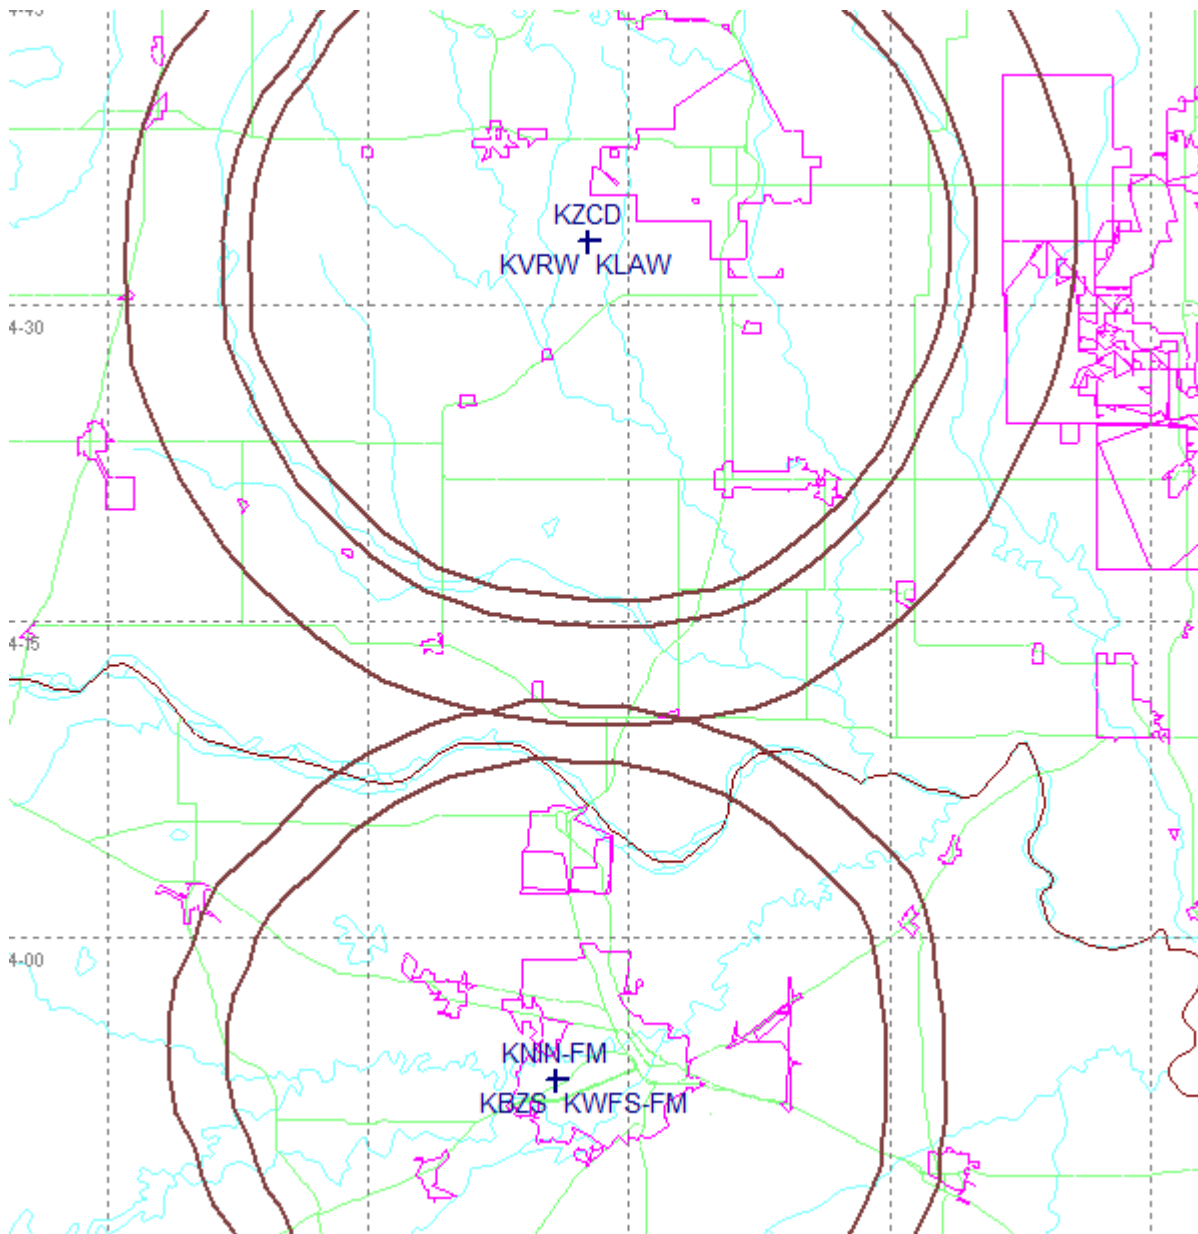

This is a minor change request for a licensed facility, involving the reduction in height above ground by 14 meters from the licensed value on the authorized tower location. The technical changes herein do not affect the Ownership limits of the market in which the station is located:

Currently the licensee owns 6 FM Facilities in this market:

Currently no more than 5 FM facilities are commonly owned at any point in the market.

Following the changes proposed herein, the market share of the licensee remains the same:

No more than 3 FM facilities will be commonly owned at any point in the market.

Thus the licensee remains in compliance with the Multiple Ownership requirements in 47 C.F.R § 73.3555(a).
