## **EDUCATIONAL STATEMENT**

New(LP)  
Rosston, Arkansas  
Channel 297LP100 (107.3 MHz)

Southwest Arkansas Educational Radio was formed with the educational objective of promoting community affairs in Nevada County.

The radio station will advance our educational program through the on-air information, local and national news and locally oriented entertainment.

We will also be working with local senior citizen groups to present topics that are of importance to our older generation including information on how to navigate Medicaid, Medicare and the VA as well as instruction on how to avoid getting scammed, a major concern within the local senior community.

Sample programming includes:

INFORMATION – Local news, health news and weather of interest to listeners generally not available elsewhere.

SCAM WATCH - Each week, Scam Watch informs the community on the latest scams that people receive by phone and by email and how to avoid them, such as how scammers use gift cards as a way of stealing money from you. After each episode, listeners will be more scam aware and know when something is too good to be true.
