

Notification of Silent Status and Silent STA Request – W17DL-D

TV Red de Puerto Rico (“TV Red”), licensee of LPTV station W17DL-D -D, Facility ID 181820 hereby notifies its silent status and requests a Silent STA. TV Red is going through a difficult economic situation, which makes it not viable to finance the current operational expenses of the station. The Silent STA is requested for a period of six months, to allow TV Red to seek, study, obtain FCC authority and execute the move, to relocate to a site that provides financially sustainable operational conditions. TV Red expects to complete the station relocation within the next six months, at which time it will notify the FCC “resumption of operations” under the then authorized operational parameters.
