

## Purpose of Amendment- November 2023:

The proposed assignee amends this application to submit evidence of its NCE qualifications *in addition to that previously submitted*. The following is the mission statement of Northern Christian Radio proudly posted on its website and, a version of which is included on its emails:

# Our Mission

**"By God's grace we are committed to seeing lives changed, families strengthened, and communities impacted for the glory of Christ"**

These words are the mission statement for The Promise FM as we serve Northern Michigan and portions of Ontario with non-commercial Christian Music and Programs. At present, we operate four stations and two translators reaching listeners across Northern Michigan and the Eastern Upper Peninsula and into Ontario.

Included on the emails of Northern Christian Radio's executive director:

## **"Our Mission for 38 years**

*"Committed to changing lives, strengthen families, and impacting communities for Christ"*

A full schedule of the radio programming currently provided Northern Christian Radio can be found at: <https://www.promisefm.com/on-air/programming-schedule-at-the-promise-fm> The same or similar programming will be provided on WLJN.

This amendment also changes the response in the Assignee information section as regards the FCC having passed on Northern Christian Radio's qualifications to be an NCE licensee. The applicant inadvertently responded in the negative but provided documentation to support an affirmative response. The response has been changed to Yes.

Finally, this amendment corrects the inadvertently reversed responses on the voting and equity interests of the board and officers of this non-profit, non-stock corporation.
