

Nov 4th 2023

The licensee of KHIN has received notice that the proposed facility for channel 34, with technical parameters as described in the FCC construction permit application to which this letter is attached, is predicted to cause interference with FCC file BLANK 0000030114. By way of this letter, the licensee of KHIN acknowledges that it will accept any interference caused by the proposed facilities of this application.

If you have any questions concerning this acknowledgment, you are welcome to contact me at the phone number listed.

Respectfully,

Brian Zittlau
