Channel 276LP100 (103.1 MHz)

Started in 1998, The Ark is a 12-month residential program for men and women rooted in a bible-based curriculum. The Ark provides room board and all necessities at no cost. During this time residents are required to attend daily classes, receive mental health counseling, engage in duties on campus and obtain their GED.

Residents are not allowed to have a job during this time.

We assist residents with enrolling in college technical or vocational school obtaining their driver's license/ID, job training, job placement, budget planning and more.

Residents will have a mentor assigned to assist in their progression through our program. The goal at the end of this program is for our residents to transform their lives. Our residents become independent contributing members of society equipped with the the tools to discover their God-given purpose.

The Ark is supported by charitable giving. Additionally, The Ark operates local thrift stores with donated goods.

The radio station will advance our educational programs through the on-air teaching offering life skills and tools to better become productive members of society.
