

KRHJ-FM
Facility ID 768099

Changing studio address from:

KRHJ-FM
7 Forrest Street
Lamar, CO 81052

New address:

KRHJ-FM
311 West Chestnut Street
Lamar, CO 81052

The studio is in the same city, county, and state. The move places the studio closer to downtown Lamar, Colorado. This facilitates easier access to municipal government buildings such as the community building, city hall, public library, etc for local events to be carried live on air.

The studio move does not change the location of the actual transmitters (main and aux).
