

**MULTIPLE OWNERSHIP AND REBROADCAST CERTIFICATION**

VCY America, Inc. will prepare and file FCC form 302-FM to convert KRCK-FM to a noncommercial educational station, effective on or after consummation. Accordingly, the Commission's multiple ownership rules are not applicable to this application. Because KRCK-FM will become a noncommercial educational station, VCY has responded "N/A" to the questions in the Rebroadcast Certification portion of the form 314.
