

### **Educational Statement**

**Iglesia Pabellon de la Victoria Ponce Inc. teaches the community the importance of education and how to be more independent by establishing different venues of growth. Regardless of age or personal circumstances, there is always an opportunity for a fresh, new beginning.**

**Through the radio, our voice will be able to get that message out to a broader audience and allow more people to become more educated and financially independent.**

**The organization was incorporated as a non-profit organization in July 2002 in Puerto Rico.**
