Marlene H. Dortch, Secretary
Federal Communications Commission
Office of the Secretary
445 12th Street, SW
Washington, DC 20554

Dear Ms. Dortch,

This letter is to advise the Commission that, pursuant to Section 73.1560(d) of the Commission rules, WKNC-FM has resumed normal operations.

WKNC reduced power on Nov. 14, 2023, when we began experiencing issues with the HVAC at our transmitter location that caused the transmitter to overheat. The HD signals were subsequently turned off. The commission was notified via letter on Nov. 22, 2023 and via the FCC LMS on Nov. 27, 2023.

The HVAC units were replaced on Dec. 12, 2023 and the station resumed normal FM and HD operations at full power on that day. As this was within the 30-day window, WKNC will not be filing for Special Temporary Authority.

Sincerely,

A handwritten signature in black ink that reads "jamie lynn gilbert". The signature is written in a cursive, lowercase style.
