

**Just Worship Radio  
806 W Indiana Ave  
Spokane, WA 99205**

## **Advancement of FCC Educational Program Supplement**

Just Worship Radio provides this exhibit to demonstrate an advancement of an educational program under 73.503(a) of the Rules.

**Educational Program:** Just Worship Radio is devoted to the education and encouragement of our local community, through spoken word, community news, and music. Gospel music and Gospel centered programming is not offered on any radio station in our community. Missing the opportunity to implement and capitalize on the rich tradition and foundation that Gospel music has in mostly African-American communities.

**Implementation of Program:** Just Worship Radio's educational program implementation would be achieved through the following:

### ***Community Involvement:***

We will create multiple opportunities for our community to get involved with the station.

- Volunteering at the station or at a community event we host.
- A training program allowing members of the community to volunteer with the radio station and learn various aspects of radio broadcasting.
- Community calendar.
- Sending in song requests.

### ***Public Affairs:***

Our talk shows would be informative and inspirational, discussing issues that are important to our local community.

### ***Music:***

Gospel music has a rich tradition and foundation in the African-American community across the US. We would focus on bringing access to gospel music, along with giving local gospel artists a platform to showcase their music as well.

### **Objectives of the service:**

- To create, develop and promote non-profit, non-commercial community radio for the benefit of the residents of Spokane.
- Access to information, knowledge, and resources for the local community.
- Explore & improve community connection.
- Access to radio broadcasting and radio training skills.
- Developing music & arts and providing a platform of expression for our local community.
- Providing job opportunities/work experience and employment.
- To promote skills leading to employment.
