Special Temporary Authority

EXPLANATION OF CIRCUMSTANCES

Sinclair Media Licensee, LLC, (“Licensee”) licensee of station K12JJ-D (Facility ID No.8244) (the “Station”), hereby requests extension of its Special Temporary Authority (“STA”) to remain off the air.

K12JJ-D was forced to suspend broadcast operations on June 19, 2023 due to an unresolved dispute with the tower owner. In accordance with Section 73.1635 of the Commission’s Rules, Licensee requested and was granted STA for the Station to remain silent for a six-month period until December 19, 2023 (File Number: 0000217049) to afford it time to locate a new tower, complete the required engineering, and submit an application for modification of license. Efforts to work with its current tower owner to resolve the ongoing dispute so that it can resume broadcast operations from its current licensed location have proven unsuccessful. Despite diligent efforts the Licensee has not yet secured a suitable tower site and thereby requests STA for the Station to remain silent for an additional 90 days while it secures a new tower location and works on restoration of broadcast service.

The Licensee will promptly notify staff once the dispute is resolved or a suitable transmitter location is located.
