

MULTIPLE OWNERSHIP RULE COMPLIANCE

Bustos Media Holdings, LLC currently owns three AM stations and one full-power FM stations in the Arbitron-defined Portland radio metro market in the states of Oregon and Washington. They are: KOOR(AM), 1010 kHz, Milwaukie (Clackamas County), FIN 68212; KQRR(AM), 1130 kHz, Mount Angel (Marion County), FIN 160794; KGDD(AM), 1520 kHz, Oregon City (Clackamas County), FIN 2431; and KZZR(FM), 94.3 MHz, Government Camp (Clackamas County), FIN 82538, all Oregon. Bustos Media Holdings, LLC is also licensee of FM Translator K228EU, Portland, Oregon, which is not relevant to the duopoly showing under 47 CFR §73.3555.

Through this application, Bustos Media Holdings, LLC requests FCC consent to acquire the license of one additional AM station and its related FM Translator Station, KWBY(AM), Woodburn, FIN 165 and K227DU, Salem, FIN 156679 (both Marion County, Oregon) in the Portland metro market.

Nielsen defines the Portland radio metro market as consisting of the following six counties: in Oregon, Clackamas, Marion, Multnomah, Washington and Yamhill; and in Washington, Clark.

Pursuant to Section 73.3555(a)(i), a party may own up to five stations in any one service (and eight stations overall) where the relevant radio market contains at least 45 full-power commercial and non-commercial AM and FM radio stations. Excluding the five full-power commercial radio stations (4 AM and 1 FM) that would be licensed to Bustos Media Holdings, LLC should this application be granted, there are a total of 52 full-power commercial and non-commercial AM and FM stations licensed to communities located within the six counties of the Portland radio metro market. A list of these stations is contained on the following pages.

As a result, the proposed transaction complies with Section 73.3555 of the Commission's Rules, and a grant of this application would serve the public interest, convenience and necessity.
