

## **REASON FOR AMENDMENT**

This amends the “Other Broadcast Interests” exhibit to this application to report that a director of Saga Communications, Inc. (“Saga”), Michael Schechter, is also a director of Emmis Communications Corporation (“Emmis”), which, through subsidiaries, has attributable interests in Radio Stations WEPN-FM, Facility ID No. 63781, New York, New York; and WFNI(AM), Facility ID No. 19521, Indianapolis, Indiana.

The Emmis stations are not in any Nielsen radio markets served by stations licensed to subsidiaries of Saga, and neither the 3.16 mV/m contour of WEPN-FM nor the 5 mV/m contour of WFNI overlap the 3.16 mV/m nor the 5 mV/m contours of any stations licensed to subsidiaries of Saga.
