

Waiver of Filing Fee

The Commission has stated that it would consider requests for extension of its repack reimbursement deadline where a station “faces circumstances beyond its control. See Public Notice, DA 22-191 at ¶ 18 (released February 24, 2022, the “Repack Deadline Public Notice”). Requests for extension of the deadline should be filed as requests for legal special temporary authority (“STA”), and may request waiver of the filing fee for legal STAs. Id. at n.29. As allowed per the policy stated in the Public Notice, Philadelphia Television Network, Inc. (“PTNI”) respectfully requests waiver of the filing fee for this legal STA and extension request.
