

Request to Extend Engineering STA  
KRHT-LD  
Facility ID 130534  
Niculina Hanson, Owner  
FRN: 0031623259  
Date: 1/15/2024

Niculina Hanson, licensee of low power television station KRHT-LD, Redding, California respectfully requests an extension of Special Temporary Authority to operate KRHT-LD with reduced power at 1.6kw ERP, pursuant to LMS File No: 0000218832 Dated 8/7/2023.

Repair and/or replacement of the Station's transmitter is proving more difficult than anticipated. Therefore, additional time is required.

It is anticipated that licensee will be able to secure a replacement transmitter and return to full power before the end of the extended STA time.

Operating in the interim with 1.6kw ERP will allow the station stability and to continue service to the community.
