

## **Purpose of Second Amendment**

The reason for this Amendment is to respond to an FCC request for additional information. In a separate attachment, a Timeline of the Various Transactions is provided. No additional documents exist. The Timeline provides the percentages and raw numbers for the Class A and Class B shares.

The inconsistency that is identified is explained by the additional 13,000 Class B non-voting shares that were contributed by William H. Huse himself separately from those transferred from the William H. Huse Revocable Trust to the William H. Huse Living Trust.

The Amendment also adds Karla S. Huse as a Transferor and removes WJAG, Inc. as a Transferor.

Finally, please note that this application combines Transactions #1 and #2 as identified in the Timeline attachment rather than having to file the additional application per previous communications with the FCC staff.
