

SILENT STA EXTENSION REQUEST

Common Frequency, Inc ("CFI") licensee of KZCF(FM), requests an Extension of Silent STA File Number 0000217991. Silent STA File Number 0000217991 was filed 07/17/2023. CFI was seeking extension of the Silent STA yesterday but LMS would not allow extension. At closer look, the date of silence was 07/14/2023, so 180 had already elapsed. Licensees are permitted a maximum of one year of silence. Applicant believes it would be confusing to apply for another separate Silent STA, and instead is respectfully soliciting the FCC to consider allowing an Extension of Silent STA 0000217991. Applicant seeks an extension for KZCF as it is still attempting to work out detail for KZCF to be used locally for a student station in association with UC Merced. Educational institutions are extremely bureaucratic and more time is needed to ascertain station operation details.
