

Ritmo Broadcasting, Inc.
Change in Primary Facilities
Cherry Hill, NJ

This instant application is for a change in Primary Station being rebroadcast on licensed translator W281CL Fac. ID 141368.

This change also applies to all pending/recently granted W281CL applications.

Figure 1 is a contour map showing that the 60dBμ contour of W281CL rests entirely inside the 25 mile contour of WIFI (AM) Fac. ID 55310.

W281CL will be a fill in translator for WIFI and will receive signal via the internet.

W281CL was NOT part of the AMR 2017-2018 filing window.
