**Silent STA Extension Request**

**Request for Extension of Special Temporary Authority to Remain Silent**

Lowcountry 34 Media, LLC (“Lowcountry”), licensee of low power television station WIDO-LD, Wilmington, North Carolina (Facility ID No. 182069) (“WIDO-LD”), hereby requests an extension of Special Temporary Authority (“STA”) for WIDO-LD to remain silent while major tower work is completed on WIDO-LD’s tower. *See* LMS File No. 0000216275.

On May 31, 2023, Lowcountry ceased operations with WIDO-LD due to the commencement of major tower work on WIDO-LD’s tower. Due to the prolonged nature of this tower work, on November 2, 2023, Lowcountry filed a minor modification application proposing to relocate WIDO-LD to a new site which could support permanent operations of the station. *See* LMS File No. 0000224609. That application was granted on November 3, 2023, and Lowcountry anticipates that construction of WIDO-LD’s facilities at its new site will be completed within 90 days – thereby allowing the station to resume operations.

Out of an abundance of caution, however, Lowcountry respectfully requests an extension of its STA for WIDO-LD to remain silent for 180 days to provide sufficient time for Lowcountry to complete construction of WIDO-LD’s facilities at its new site and for the station to resume operations at its new site.
