Silent STA Extension Request**

Request for Extension of Special Temporary Authority to Remain Silent

Lowcountry 34 Media, LLC (“Lowcountry”), licensee of low power television station W20EY-D, Wilmington, North Carolina (Facility ID No. 185717) (“W20EY-D”), hereby requests an extension of its Special Temporary Authority (“STA”) for W20EY-D to remain silent while major tower work is completed on W20EY-D’s tower. *See* LMS File No. 0000216275.

On May 31, 2023, Lowcountry ceased operations with W20EY-D due to the commencement of major tower work on W20EY-D’s tower. Due to the prolonged nature of this tower work, on November 7, 2023, Lowcountry filed a minor modification application proposing to relocate W20EY-D to a new site which could support permanent operations of the station. *See* LMS File No. 0000224999. That application was granted on November 8, 2023, and Lowcountry anticipates that construction of W20EY-D’s facilities at its new site will be completed within 90 days – thereby allowing the station to resume operations.

Out of an abundance of caution, however, Lowcountry respectfully requests an extension of its STA for W20EY-D to remain silent for 180 days to provide sufficient time for Lowcountry to complete construction of W20EY-D’s facilities at its new site and for the station to resume operations at its new site.
