ORDER TO PAY OR TO SHOW CAUSE

Adopted: January 18, 2024

Released: January 19, 2024

By the Chief, Media Bureau and the Managing Director, Office of Managing Director:

I. INTRODUCTION

1. By this Order to Pay or to Show Cause, we initiate a proceeding to revoke the licenses held by Daniel S. Stratemeyer (Licensee) for WRIK(AM), Brookport, Illinois, and KZMA(FM), Naylor, Missouri (Stations) respectively, for failure to pay delinquent regulatory fees and associated interest, administrative costs, and penalties owed to the Federal Communications Commission (Commission). For the reasons set forth below, we direct Licensee to pay the overdue regulatory fees, including any associated interest, penalties, and administrative costs, or show cause why the payment demanded is inapplicable or should otherwise be waived or deferred.

II. DISCUSSION

2. Under section 9 of the Communications Act of 1934, as amended (Act), and section 1.1151 of the Commission's rules (Rules), the Commission is required to "assess and collect regulatory fees" to recover the cost of carrying out the functions of the Commission."¹ When the required payment is received late or is incomplete, the Commission must assess a penalty equal to "25 percent of the amount of the fee which was not paid in a timely manner."²

3. For fiscal year (FY) 2010, the deadline for paying regulatory fees was August 31, 2010;³ for fiscal year (FY) 2012, it was September 13, 2012;⁴ and for FY 2013, it was September 20, 2013.⁵ When Licensee failed to pay or only partially paid its regulatory fees by these deadlines, the Commission assessed charges that included the statutory late payment penalty required by the Act⁶ and section 1.1164

No. 115-141, 132 Stat. 348, 1095, modified section 9 of the Act and added a new section 9A. Prior to October 1, 2018, when the RAY BAUM'S Act

4. The Commission's records show that Licensee currently has unpaid regulatory fee debt for WRIK(AM) of \$4,366.06 for FY 2010; \$4,385.37 for FY 2012; and \$4,369.89 for FY 2013; and for KZMA(FM) of \$3,995.36 for FY 2010; \$3,912.93 for FY 2012; and \$3,920.09 for FY 2013. Additional charges will continue to accrue on these debts until they are paid in full. The Commission sent Licensee demand letters in accordance with the requirements of the DCIA demanding payment of Licensee's delinquent regulatory fees.⁹ When Licensee did not pay these regulatory fee debts, the Commission transferred all of the foregoing regulatory fee debts to the United States Department of Treasury (Treasury) for collection.¹⁰ At the Commission's request, the United States Department of Treasury has returned those regulatory fee debts to the Commission for further collection. Additionally, please note that our records show there is an overpayment of \$2,613.03 under this FRN,¹¹ which the Commission will apply to reduce Licensee's delinquent regulatory fee debt, upon written instruction from Licensee.¹²

5. The Commission has authority under section 9A(c)(4) of the Act and section 1.1164(f) of the Rules to revoke licenses and authorizations for failure to pay regulatory fees (or related interest and penalties) in a timely fashion. Accordingly, we require Licensee to file with the Media Bureau documented evidence within sixty (60) calendar days of the date of this Order that full payment of all outstanding regulatory fee debt has been made or show cause why the payment is inapplicable or should be waived or deferred.¹³ Licensee is hereby notified that failure to provide such evidence of payment or to show cause within the time specified may result in revocation of Licensee's license for the Stations. Additionally, in order to apply the overpayment to an outstanding balance, Licensee must instruct the Commission to what debt the overpayment should be applied.

6. Under section 9A(c)(4)(C) of the Act and section 1.1164(f) of the Rules,¹⁴ an adjudicatory hearing will not be designated unless Licensee presents a substantial and material question of

¹¹ The overpayment consists of \$2,613.03 made by Licensee to the Treasury that included Treasury fees. When the Treasury returned the Licensee's regulatory fee debts to the Commission, it also sent the \$2,613.03 to the Commission.

¹² Licensee may request that the Commission apply the \$2,613.03 payment to reduce its delinquent regulatory fee debt by electronic transmission to Cheryl.Collins@fcc.gov or Theresa.Meeks@fcc.gov. Licensee must include its FRN in the request. Upon receipt of the request, the Commission will apply the \$2,613.03 to Licensee's delinquent debt in accordance with 47 CFR § 1.1940(f).

¹³ The Commission may waive, reduce, or defer payment of fee debt where good cause is shown and where waiver, reduction or deferral would promote the public interest. The Commission interprets this provision narrowly, granting relief only when a requesting party has shown extraordinary circumstances outweighing the public interest in recovering the cost of the Commission's regulatory services. A party seeking a waiver for financial hardship must conclusively prove financial hardship, providing copies of all such financial documents as are necessary to show that it lacks sufficient funds to pay its regulatory fees and maintain its service to the public. *Assessment and Collection of Regulatory Fees for Fiscal Year 2019*, MD Docket 19-105, Report and Order and Further Notice of Proposed Rulemaking, 34 FCC Rcd 8189, 8207-08, paras. 49-51 (2019).

fact. Further, disposition of any adjudicatory hearing will be based upon written evidence only, and Licensee will bear the burden to introduce evidence and to provide proof in any such hearing.¹⁵ Unless the Licensee substantially prevails in the hearing, the Commission may assess the Licensee for the costs of such hearing.¹⁶

7. To the extent that Licensee is a respondent in other administrative proceedings, both before this agency and other federal agencies, action in this proceeding is without prejudice to action in those proceedings. Further, the existence of any such proceedings and matters raised therein are not considered in this proceeding.
