

**Request for Special Temporary Authority
K06KA-D (Fac. ID No. 22566)
Fort Jones, etc., CA**

EXPLANATION OF CIRCUMSTANCES

KTVL Licensee, LLC, (“Licensee”) licensee of station K06KA-D (Facility ID No.22566) (the “Station”), requests a brief extension of its current silent STA. On August 18, 2023, the FCC granted the Station’s request for Special Temporary Authority (FCC File No.: 0000219332) through February 12, 2024.

K06KA-D has been forced to suspend broadcast operations due to an equipment problem. The Station was notified by the US Forest Service that the permit for the thermal power generator that services this translator was cancelled and there is no utility power servicing this site. Licensee is having difficulty locating a suitable site that has permanent electric power.

In accordance with Section 73.1635 of the Commission’s Rules, Licensee hereby requests STA for the Station to remain silent for the maximum permissible length of time under the circumstances. Licensee requests silent STA for 180 days from the date that service was suspended and will update the Commission regarding its progress returning the Station to normal operations as applicable.
