This Transfer of Control is due to the gradual turnover in Licensee and Parent's boards. Parent regrets that it inadvertently allowed its entire board to turnover before filing a Transfer of Control application. Licensee and Parent have consulted with their communications counsel regarding the Commission's rules for gradual transfers of control and will fully comply with those rules going forward.

The address for both Licensee's and Parent's board of directors is: 1700 South Main Street
Goshen, Indiana 46526

All board members of both Licensee and Parent's boards are U.S citizens. Licensee and Parent's mission remains unchanged as a result of these changes. None of the current board members hold an attributable interest in any other broadcast station.

Due to these changes, consent to the instant transfer of control application is appropriately sought as a *pro forma* transfer of control. The Commission has indicated that usage of this form is appropriate for such circumstances as detailed herein.

Also attached to this application is a comprehensive chart showing both entities' board membership for each year from 2006 to the present.
