Statement of eligibility for LPFM license

My Community Church of Marion Ohio
1282 North Main Street
Marion, OH 43302

My Community Church is a non-profit organization that provides religious education programs and would extend these programs to radio programming on the facility in this application.

This station would broadcast recorded and original programming originating from the church facility and other sources. This program will seek to bring the word of god to those unable to attend services and other listeners throughout the churches community.

Respectfully Submitted,

Jonathan Aiken
Deacon
