

STA Extension Exhibit

Mainstreet Media of Colorado, LLC (“Licensee”) licensee of KKCL(AM), Golden, CO (Facility ID No. 161314) respectfully requests an extension of this STA. As stated in its previous STA requests, Licensee was unexpectedly forced to move from its leased tower site. Following significant delays, Licensee found a new permanent location but is still awaiting Commission approval of its minor modification application (File No. BP-20220805AAI) to move to the site. Furthermore, Licensee has been unable to complete its move to a new tower location as health issues of the operator and owner persist. Accordingly, Licensee requests an extension of this STA.
