### **Advancement of FCC Educational Program Supplement**

This exhibit is to further demonstrate the Franklin County Coalition for Progress's (FCCP) educational objectives and that the proposed radio station will be used for the advancement of an educational program under 73.503(a) of the Rules.

The proposed station's educational broadcast program will be aligned with FCCP's mission and intent as described in its Articles of Incorporation which is to advance social justice and equality to all residents in Franklin County. The station will be a community led and managed radio broadcasting service which encourages and promotes a voice for those who are under-represented or socially excluded to provide an outlet for creativity, shared vision, and expression.

Educational Objectives of the service:

- Increase access to independent news and educational programming within Franklin County.
- Create, develop and promote non-profit, non-commercial community radio for the benefit of Franklin County residents.
- Explore & improve community cohesion and civic engagement.
- Provide access to radio broadcasting and radio training skills.
- Provide cultural programming featuring independent and grassroots voices.
- Public service announcements on a wide variety of topics, including how and where to vote, community services, and resources.
