

### **JUSTIFICATION FOR STA**

By this filing, Cocola Broadcasting Companies, LLC (“CBC”) respectfully requests authority to operate KBSE-LD, Boise, Idaho (“Station”) at reduced power.

As previously reported to the Commission, the Station had been off the air for technical reasons. Recently, CBC has obtained the equipment necessary to restore on-air operations, albeit at parameters at variance from the terms of the Station’s license.

CBC intends to operate the Station pursuant to these parameters on a temporary basis until a longer-term solution can be implemented.

Grant of this request would serve the public interest as it would allow the Station to resume broadcasting to viewers in Boise, Idaho and the surrounding communities.
