

SKY MEDIA, INC

Sky Media, Inc
2239 Roach St
Salina, KS 67401

Federal Communications Commission
45 L Street NE
Washington, DC 20554

In the matter of Sky Media, Inc. Applicant comes now, and amends its application with the Federal Communications Commission. Applicant seeks to establish clarification of its address and parties to the application, without change to the application.

In September 2023 “Chloe Broadcasting, Inc” and its station of license “KLZY-LP” began to have funding and equipment issues, with the board discussing dissolution and filing for an STA.

On 11/1/2023 station KLZY-LP went silent due to funding and equipment issues. In the process it had been further discussed to cease operation and dissolve. Further, on 11/1/2023 Station KLZY-LP also filed an Administrative Update and STA. The administrative update has the new principal office removed from 2239 Roach St, Salina, KS, 67401. The administrative update also puts KLZY-LP outside of its legal rights to retain such license.

In response to the impending loss of KLZY-LP a party of that station's non-profit “Chloe Broadcasting, Inc” resigned and formed a new non-profit licensed in the State of Kansas as Sky Media, Inc at address 2239 Roach St, Salina, KS, 67401. Courtney White being the party feels independent, local non-profit educational media is vital to the Salina Kansas area. Her actions were taken in response to the impending loss and dissolution of “Chloe Broadcasting, Inc” and its station of license “KLZY-LP”.

Applicant and party Courtney White attest they have no involvement in “Chloe Broadcasting, Inc” and its station of license “KLZY-LP”, which is demonstrated by the STA and AU filed 11/1/2023.

Applicant and Party pray the Federal Communications Commission understands the above stated and will allow applicant Sky Media, Inc to be considered for a new Construction Permit for a Low Power FM station, independent, separate and in no way affiliated with Chloe Broadcasting, Inc and its station KLZY-LP.

The above stated is true and accurate as I so verily believe and hereby digitally acknowledge such with the below signature and contact information.

Respectfully,

Melissa Thomas,
