

**Purpose of Amendment**  
**Application to Renew KTRN-TV, Durango, Colorado (FIN 82613)**

The purpose of the instant amendment is to update the applicant's response to the certification that "[t]he station has posted its most recent Broadcast EEO Public File Report on the station's website as required by 47 CFR Section 73.2080(c)(6)" to "Yes." At the time the renewal application was filed (on December 1, 2021), this certification was answered "N/A" because there was no EEO public file report to link to the station's website due to the then-recent acquisition of the station on October 4, 2021. See Section 73.2080(c)(6) of the FCC's rules and exhibit on file with the renewal application titled "EEO Public File Reports."
