Children's Television Programming Report

In March 2024, WZDX uncovered a technical issue which caused *Sports Stars of Tomorrow* to air without the E/I bug displayed throughout the episodes. This report is amended to change the response to the question "*For each broadcast of the program on a commercial or Class A station, did the Licensee identify the program by displaying throughout the program the E/I symbol?*" for the *Sports Stars of Tomorrow* entry from 'Yes' to 'No'.
