I have prepared the attached materials in support of the application of Davis Broadcasting of Atlanta, L.L.C. for Special Temporary Authority for FM Translator Station W266BW.

This documentation demonstrates that the proposed facilities will not cause interference at the listening locations referenced in the Media Bureau's letter to Davis Broadcasting dated March 11, 2024. See Letter of James D. Bradshaw, Senior Deputy Chief, Audio Division, Media Bureau, to Davis Broadcasting of Atlanta, L.L.C. (1800B3-KV, Mar. 11, 2024) at 9 n.76.

This statement is true and correct to the best of my knowledge and belief.
