

## Amendment

The purpose of this third amendment is to provide the following additional information in support of the STA request:

While experimentation pursuant to this STA is undertaken, WTXX's primary programming stream (airing Timeless TV) will be broadcast in an ATSC 1.0 format on a subchannel of commonly owned station WRNT-LD, Hartford, Connecticut (WRNT-LD). The coverage area of WTXX-LD is almost entirely encompassed within that of WRNT-LD. Contour maps and population loss/gain calculations are included with this amendment.
