

## **Explanation of STA Request**

This FM Translator Engineering STA Application requests reduced power operation of translator station W266BW.

The attached documentation demonstrates that the proposed facilities will not cause interference at the listening locations referenced by the March 11, 2024 letter from James D. Bradshaw, Senior Deputy Chief, Audio Division, Media Bureau, to Davis Broadcasting of Atlanta, L.L.C (1800B3-KV). *See* Letter at 9, n.76.

Grant of this Application will permit the station to continue to provide its unique programming service while permanent solutions are considered.

A copy of this Application is being served on Tri-State Communications, Inc. by e-mail and first-class mail.
