

Purpose of Amendment

The purpose of this amendment is to change the answer to the “E/I Symbol” certification from “N/A” to “Yes.” The Commission eliminated the E/I symbol requirement contained in Section 73.671(c)(5) of the FCC rules¹ for noncommercial stations in its 2019 Order modernizing the children’s television programming rules,² which became effective on January 21, 2020.³ North Texas Public Broadcasting, Inc. responds to this certification for the period of the renewal term when Section 73.671(c)(5) was applicable to noncommercial stations. No other changes are being proposed to this application.
