(b) All income and expenses arising from the Purchased Assets and the Assumed Liabilities, including, without limitation, prepaid expenses, Prorated Taxes (but excluding accounts receivable of Seller), annual regulatory fees payable to the FCC, power and utilities charges, and rents and similar prepaid and deferred items shall be prorated between Seller and Buyer in accordance with GAAP to reflect the principle that Seller shall be entitled to all income and be responsible for all expenses arising from the Purchased Assets and the Assumed Liabilities through the Cutoff Time and Buyer shall be entitled to all income and be responsible for all expenses arising from the Purchased Assets and the Assumed Liabilities after the Cutoff Time. Without limiting the foregoing, the portion of accrued vacation and personal time (but not sick leave) for Transferred Employees that is accrued by Seller for periods on or prior to the Closing Date shall, to the extent usable after Closing under the policy of Buyer, be included in prorations under this Section 2.6. Notwithstanding anything in this Section 2.6 to the contrary, (i) except as set forth herein, with respect to Trade Agreements for the sale of time for goods or services assumed by Buyer, if at the Cutoff Time, the Trade Agreements have an aggregate negative balance (i.e., the amount by which the value of air time the Station is obligated to provide after the Cutoff Time exceeds the fair market value of corresponding goods and services to be received by the Station after such date), there shall be no proration or adjustment, unless the aggregate negative balance of the Station's Trade Agreements exceeds \$10,000, in which event only such excess shall be treated as prepaid time sales of the Station, and adjusted for as a proration in Buyer's favor, (ii) there shall be no proration under this Section 2.6 to the extent there is an aggregate positive balance with respect to the Station's Trade Agreements, and (iii) there shall be no proration under this Section 2.6 for Program Rights agreements except to the extent that any payments or performance due under such Program Rights agreements relate to a payment period that straddles the Cutoff Time, in which case the amount payable in the payment period will be prorated based on the number of days in such period.

(c) At least five (5) Business Days prior to the Closing Date, Seller shall estimate all Closing Date Adjustments pursuant to this Section 2.6 and shall deliver a statement of its estimates to Buyer (which statement shall set forth in reasonable detail the basis for those estimates). At the Closing, the net amount due to Buyer or Seller, as applicable, as a result of the estimated Closing Date Adjustments shall be applied as an adjustment to the Purchase Price. Within ninety (90) days after the Closing, Buyer shall deliver to Seller a statement of any adjustments to Seller's estimate of the Closing Date Adjustments, and no later than the close of business on the thirtieth (30th) day after the delivery of such statement (the "Payment Date"),

Buyer shall pay to Seller, or Seller shall pay to Buyer, as the case may be, any amount due as a result of the adjustment (or, if there is any good faith dispute, the undisputed amount). Except with respect to items that Seller notifies Buyer that it objects to prior to the close of business on the date that is at least one (1) Business Day prior to the Payment Date, the adjustments set forth in Buyer's statement shall be final and binding on the parties effective at the close of business on the Payment Date. If Seller disputes Buyer's determinations or Buyer disputes Seller's determinations, the parties shall consult with regard to the matter and an appropriate adjustment and payment shall be made as agreed upon in writing by the parties within thirty (30) days after the Payment Date. If such thirty (30) day period expires, and the dispute has not been resolved, then the parties shall select a mutually acceptable, nationally recognized independent accounting firm that does not then have a relationship with Seller or Buyer (the "Independent Accountant"), to resolve the disagreement and make a determination with respect thereto as promptly as practicable. The determination by the Independent Accountant on the matter shall be binding. If an Independent Accountant is engaged pursuant to this Section 2.6, the fees and expenses of the Independent Accountant shall be borne by Seller and Buyer in inverse proportion as such parties may prevail on the resolution of the disagreement, which proportionate allocation also will be determined by the Independent Accountant and be included in the Independent Accountant's written report, and an appropriate adjustment and payment shall be made within three (3) Business Days of the resolution by the Independent Accountant, and the parties shall use reasonable best efforts to cause such resolution to be rendered within thirty (30) days after such submission. All payments made pursuant to this Section 2.6 shall be treated for Tax purposes only as an adjustment to the Purchase Price to the maximum extent permitted by applicable Law.

Section 2.7. Closing Date Deliveries.

(a) At the Closing, Seller shall deliver to Buyer (i) duly executed counterparts of a bill of sale and one or more assignment and assumption agreements (the "Bill of Sale and Assignment and Assumption Agreements"), providing for the conveyance of all of the Purchased Assets (other than the Owned Real Property and the FCC Licenses) and the assumption of all of the Assumed Liabilities, (ii) duly executed counterparts of an assignment of the FCC Licenses from Seller (the "Assignment of FCC Licenses"), assigning to Buyer the FCC Licenses and all other assignable Governmental Authorizations included in the Purchased Assets, (iii) specific assignment and assumption agreements duly executed by Seller, as applicable, relating to any agreements included as Purchased Assets that Buyer or Seller have determined to be reasonably necessary to assign such agreements to Buyer and for Buyer to assume the Assumed Liabilities thereunder, (iv) a duly executed certificate of non-foreign status that meets the requirements set forth in Treasury Regulations Section 1.1445-2(b)(2), (v) the certificate required to be delivered by Seller pursuant to Section 7.2(c)(i), (vi) general warranty deeds, in forms reasonably acceptable to Buyer and its title company, conveying the Owned Real Property to Buyer, together with owner affidavits, gap indemnities, FIRPTA affidavits, transfer tax documents and other documents requested by Buyer's title company, (vii) a good standing certificate issued by Seller's jurisdiction of formation, (viii) a certificate executed by Seller certifying the due authorization of this Agreement and the Seller Ancillary Agreements, together with copies of Seller's authorizing resolutions, (ix) endorsed vehicle titles conveying the vehicles (if any) included in the Tangible Personal Property to Buyer, (x) all consents that are conditions to Closing hereunder, and all other consents and estoppel certificates obtained by Seller, (xi) customary payoff letters and other appropriate documents necessary to release all Liens (except for Permitted Liens) on the

Purchased Assets and (xii) such other documents and instruments as are reasonably necessary to consummate the transactions contemplated hereby.

(b) At the Closing, Buyer shall deliver to Seller (i) the Purchase Price in accordance with Section 2.5, (ii) duly executed counterparts to (A) the Bill of Sale and Assignment and Assumption Agreements and (B) the Assignment of FCC Licenses, (iii) specific assignment and assumption agreements duly executed by Buyer relating to any agreements included as Purchased Assets that Buyer or Seller have determined to be reasonably necessary to assign such agreements to Buyer or for Buyer to assume the Assumed Liabilities thereunder, (iv) the certificate required to be delivered by Buyer pursuant to Section 7.3(c)(i), (v) a good standing certificate issued by Buyer's jurisdiction of formation, (vi) a certificate executed by Buyer certifying the due authorization of this Agreement and the Buyer Ancillary Agreements, together with copies of Buyer's authorizing resolutions and (vii) such other documents and instruments as are reasonably necessary to consummate the transactions contemplated hereby.

Section 2.8. Further Assurances.

(a) From time to time following the Closing, Seller shall execute and deliver, or cause to be executed and delivered, to Buyer such other instruments of conveyance and transfer as Buyer may reasonably request or as may otherwise be necessary to effectively convey and transfer to, and vest in, Buyer, and put Buyer in possession of, all or any portion of the Purchased Assets.

(b) Seller shall use commercially reasonable efforts to obtain the consents necessary to assign the Station Agreements and any other Contracts to Buyer and to obtain customary estoppel certificates (in a form reasonably acceptable to Buyer) from the lessors under the Real Property Leases. To the extent that any Station Agreement or other Contract included as a Purchased Asset cannot be assigned without consent and such consent is not obtained prior to the Closing, (i) this Agreement shall not constitute an agreement to assign the same if an attempted assignment would constitute a breach thereof, (ii) Seller shall use reasonable best efforts to provide to Buyer the benefits of any such Contract (including sub-contracting, sub-licensing, occupancy and use agreements or sub-leasing to Buyer or its Affiliates any such Contract and enforcement by Seller or its Affiliates for the benefit of Buyer or its Affiliates, as applicable, of any and all rights of Seller and its Affiliates against a Third Party thereto), (iii) to the extent that Buyer actually receives the benefits of any such Contract, Buyer shall perform and discharge on behalf of Seller all obligations and liabilities under such Contract that would constitute Assumed Liabilities if such Contract were effectively assigned to Buyer and (iv) Seller and Buyer shall, and shall cause their respective Affiliates to, use commercially reasonable efforts to obtain such consent (provided that Seller, Buyer and their respective Affiliates shall not have any obligation to offer or pay any consideration in order to obtain any such consent, nor shall Buyer have any obligation to amend, modify or otherwise alter the terms of any such Contract). Once such consent, or waiver thereof, is obtained following the Closing Date, the relevant Contract shall be automatically transferred, assigned, conveyed and delivered to Buyer for no additional consideration, and Buyer shall, from and after the effective date of such transfer, assignment, conveyance or delivery, assume, and shall thereafter pay, perform and discharge as and when due, all Assumed Liabilities of Seller arising under such Contract in accordance with the terms of this Agreement.

(c) From time to time following the Closing, Buyer shall execute and deliver, or cause to be executed and delivered, to Seller such other undertakings and assumptions as Seller may reasonably request or as may be otherwise necessary to effectively evidence Buyer's assumption of and obligation to pay, perform and discharge the Assumed Liabilities.

(d) Seller shall promptly pay or deliver (without right of set off) to Buyer (or its designated Affiliates) any monies or checks in connection with, arising out of, or relating to the Business, the Purchased Assets or the Assumed Liabilities that have been sent to Seller or any of its Affiliates after the Closing by customers, suppliers or other contracting parties of the Business or the Purchased Assets to the extent such monies or checks are not Excluded Assets. If, following the Closing, Buyer or Seller becomes aware that Seller owns or holds any asset or right that constitutes a Purchased Asset but which has not been transferred to Buyer in connection with the consummation of the transactions hereunder, such party shall promptly inform the other party of that fact. Thereafter, at the request of Buyer, Seller shall execute such documents as may be reasonably necessary to cause the transfer of any such asset or right to Buyer or any other entities designated by Buyer for no additional consideration, and Buyer shall do all such things reasonably necessary to facilitate such transfer.

(e) Buyer shall, and shall cause its applicable Affiliates to, promptly pay or deliver (without right of set off) to Seller or any of its Affiliates any monies or checks to the extent they are not due to the Business or a Purchased Asset (or any other business of Buyer or any of its Affiliates) or are in respect of an Excluded Asset or Excluded Liability hereunder that have been sent to Buyer or any of its Affiliates after the Closing by customers, suppliers or other contracting parties of Seller or any of its Affiliates. If, following the Closing, Buyer or Seller becomes aware that Buyer or any of its Affiliates owns or holds any asset or right that is not a Purchased Asset and that was owned by Seller or any of its Affiliates immediately prior to the Closing, such party shall promptly inform the other party of that fact. Thereafter, at the request of Seller, Buyer shall execute such documents as may be reasonably necessary to cause the transfer of any such asset or right to Seller or such other Person designated by Seller for no consideration, and Seller shall do all such things reasonably necessary to facilitate such transfer.

Section 2.9. Allocation of Purchase Price. Within ninety (90) days of Closing, Buyer shall deliver to Seller a proposed allocation of the Purchase Price (as determined for federal income tax purposes) among the Purchased Assets. The proposed allocation shall be prepared in accordance with Section 1060 of the Code and the Treasury Regulations. Within thirty (30) days of the receipt of the proposed allocation, Seller shall provide Buyer with any comments to such allocation. A failure to respond within such thirty (30) day period shall be deemed acceptance of the proposed allocation as the final allocation. In the event Seller timely notifies Buyer of its disagreement with the proposed allocation, the parties shall work together in good faith to settle their differences no later than sixty (60) prior to the earliest due date (taking into account, for these purposes, any applicable extension of a due date) for the filing of a Tax Return to which such allocation is relevant. If the parties are unable to settle their differences, then (i) each of Buyer and Seller shall have the right to allocate the purchase price among the Purchased Assets in the manner it determines appropriate and to prepare all applicable Tax Returns and financial statements consistent with such allocation, and (ii) neither party shall have any obligation to the other party in connection with such allocation. Each party shall update its allocation to take in to account any adjustment to the Purchase Price. Buyer shall have no liability to Seller, and Seller

shall have no liability to Buyer, for any additional Taxes that may be imposed by any Taxing Authority to the extent such liability arises solely as a result of inconsistencies between separate allocations described in the previous sentence.

Section 2.10. Withholding. Buyer and its designees shall be entitled to withhold and deduct from the consideration otherwise payable pursuant to this Agreement such amounts as such Person is required to deduct and withhold with respect to the making of such payment under the Code or any applicable provision of state, local or foreign Tax law; provided that, except with respect to any withholding required as a result of Seller's failure to comply with Section 2.7(a)(iv), Buyer shall, prior to such withholding on any payment to Seller, provide written notice to Seller of its intent to withhold and provide Seller with the reasonable opportunity to provide such forms or other evidence as may reduce, eliminate or mitigate such withholding. To the extent that amounts are so withheld in accordance with applicable Law, such amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding were made.

ARTICLE III

REPRESENTATIONS AND WARRANTIES OF SELLER

Seller represents and warrants to Buyer that:

Section 3.1. Corporate Existence and Power. Seller is a corporation duly incorporated, validly existing and in good standing under the Laws of the State of Michigan. Seller has all corporate or similar power and authority to operate the Station as now operated by it, to use the Purchased Assets as now used by it and to carry on the Business as now conducted by it.

Section 3.2. Corporate Authorization. Seller has all requisite corporate power and authority to execute and deliver this Agreement and all of the other agreements and instruments to be executed and delivered by Seller pursuant hereto (collectively, the "Seller Ancillary Agreements"), to perform its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. The execution and delivery of this Agreement and the Seller Ancillary Agreements by Seller, the performance of its obligations hereunder and thereunder and the consummation of the transactions contemplated hereby and thereby have been duly authorized by all necessary corporate or similar action on the part of Seller and no other corporate or similar proceeding on the part of Seller is necessary to authorize the execution and delivery of this Agreement and the Seller Ancillary Agreements, the performance by Seller of its obligations hereunder and thereunder and the consummation of the transactions contemplated hereby and thereby. This Agreement and each Seller Ancillary Agreement, assuming due authorization, execution and delivery by Buyer, constitutes or will constitute a valid and binding obligation of Seller enforceable against Seller in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium, receivership or other similar Laws relating to or affecting creditors' rights generally and by general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at Law) (collectively, the "Enforceability Exceptions").

Section 3.3. Governmental Authorization. The execution and delivery by Seller of this Agreement and each of the Seller Ancillary Agreements to which it is a party and the performance of its obligations hereunder and thereunder require no action by or in respect of, or filing with, any Governmental Authority, other than the filing of the FCC Applications and obtaining the FCC Consent, together with any reports or informational filings required in connection therewith under the Communications Act and the FCC Rules.

Section 3.4. Non-Contravention. The execution and delivery of this Agreement and the Seller Ancillary Agreements by Seller and the performance of its obligations hereunder and thereunder do not and will not, assuming the authorizations, consents and approvals referred to in Section 3.3 are obtained, (a) conflict with or breach any provision of the certificate of incorporation or bylaws of Seller, (b) conflict with or breach any provision of any Law or Order, (c) conflict with or breach, constitute a default or an event that, with or without notice or lapse of time or both, would constitute a default under, or cause or permit the termination, cancellation, acceleration or other change of any right or obligation or the loss of any benefit under, any provision of any Station Agreement or any indenture, note, mortgage, lease or guaranty to which Seller is party or which is binding upon Seller, any of the Purchased Assets or any license, franchise, permit, certificate, approval or other similar authorizations affecting the Business, in each case, for the avoidance of doubt, other than any Contract set forth in Section 2.2(e) of the Disclosure Schedules, or (d) result in the creation or imposition of any Lien, other than any Permitted Lien, on any of the Purchased Assets.

Section 3.5. Financial Statements. Section 3.5 of the Disclosure Schedule contains (a) the unaudited balance sheets of the Business with respect to the Station as of May 31, 2022, May 31, 2021, and May 31, 2020, respectively, and the related unaudited statements of income for the respective twelve month period ended May 31, 2022, May 31, 2021, and May 31, 2020, respectively and (b) the unaudited balance sheet of the Business with respect to the Station as of February 28, 2023 (the “Balance Sheet” and such date, the “Balance Sheet Date”) and the related unaudited statement of income for the nine months ended February 28, 2023. Each of such balance sheets and statements of income (i) has been prepared in all material respects in accordance with accounting principles used by Seller consistently applied and in accordance with Seller’s past practices, (ii) is true, correct and complete, (iii) fairly presents in all material respects the net assets, financial position and results of operations of the Business with respect to the Station as of its respective date and for the respective period covered thereby and (iv) has been derived from the books and records of Seller relating to the Business. The financial books and records of Seller relating to the Business have been properly and accurately maintained and have been maintained in accordance with sound business practices. All of the assets reflected on such financial statements are assets of the Station.

Section 3.6. Absence of Certain Changes.

(a) Since December 31, 2022, through the date of this Agreement, there has not been any effect, change, development or occurrence that has had or would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) Since December 31, 2022, through the date of this Agreement, except for events giving rise to and the discussion and negotiation of this Agreement, the Business has been conducted in all material respects in the ordinary course of business consistent with past practice.

Section 3.7. No Undisclosed Material Liabilities. There are no liabilities or obligations of the Business that would be required by GAAP to be reflected on the balance sheet of the Station prepared in accordance with GAAP (including the notes thereto), other than (a) liabilities or obligations disclosed, reflected, reserved against or otherwise provided for in the Balance Sheet or in the notes thereto, (b) liabilities or obligations incurred in the ordinary course of business since the Balance Sheet Date, and (c) liabilities or obligations arising out of the preparation, negotiation and consummation of the transactions contemplated by this Agreement or to be performed in the ordinary course of business pursuant to the Station Agreements or other Contracts included in the Purchased Assets.

Section 3.8. Compliance with Laws and Court Orders; Governmental Authorizations.

(a) Seller operates and has operated the Station in compliance in all material respects with all Laws and Orders applicable to the Station, and to the Knowledge of Seller, Seller is not under investigation by any Governmental Authority with respect to any violation of any Law or Order applicable to the Station.

(b) Seller holds or possesses all material Governmental Authorizations necessary for the ownership and operation of the Station as presently conducted, and each such Governmental Authorization is in full force and effect. Seller is and has been in compliance in all material respects with the terms of all Governmental Authorizations necessary for the ownership and operation of the Station as presently conducted. There are no material Governmental Authorizations other than the FCC Licenses.

(c) Neither Seller's entry into this Agreement nor the consummation of the transactions contemplated hereby will require any grant or renewal of any waiver granted by the FCC applicable to Seller or the Station.

(d) Section 3.8 of the Disclosure Schedule sets forth a list of each of the FCC Licenses held by Seller. The FCC Licenses set forth on Section 3.8 of the Disclosure Schedule constitute all of the FCC Licenses and all other assignable Governmental Authorizations issued by the FCC related to the Station, and, each FCC License is in effect in accordance with its terms and has not been revoked, suspended, canceled, rescinded, terminated or expired. The FCC Licenses have been issued for the terms expiring as indicated on Section 3.8 of the Disclosure Schedule and are not subject to any condition except for those conditions appearing on the face of the FCC Licenses and conditions applicable to broadcast licenses generally or as otherwise disclosed in Section 3.8 of the Disclosure Schedule. There is not (i) any pending, or, to the Knowledge of Seller, threatened, Proceeding by or before the FCC to revoke, suspend, cancel, rescind or materially adversely modify any FCC License (other than Proceedings to amend the FCC Rules of general applicability) or (ii) issued or outstanding, by or before the FCC, any order

to show cause, notice of violation, notice of apparent liability or order of forfeiture, in each case, against the Station or against Seller with respect to the Station.

(e) Seller is qualified under the Communications Act and the FCC Rules to assign the FCC Licenses to Buyer. There are no facts or circumstances relating specifically to the Station or Seller that would reasonably be expected to result in the FCC's refusal to grant the FCC Consent or materially delay the receipt of the FCC Consent, and to the Knowledge of Seller, there is no reasonable cause to expect that the FCC Applications would be challenged by the FCC or not be granted by the FCC in the ordinary course due to any fact or circumstance specifically relating to Seller, the Business or the FCC Licenses.

(f) Seller (i) operates and has operated the Station in compliance in all material respects with the Communications Act and the FCC Rules and the applicable FCC Licenses and (ii) has timely filed all material registrations and reports required to have been filed with the FCC relating to the FCC Licenses (which registrations and reports were accurate in all material respects as of the time such registrations and reports were filed), (iii) has paid or caused to be paid all FCC regulatory fees due in respect of the Station and (iv) has completed or caused to be completed the construction of all facilities or changes contemplated by any of the FCC Licenses or construction permits issued to modify the FCC Licenses to the extent required to be completed as of the date hereof.

(g) There are no applications, petitions, Proceedings, or other actions, complaints or investigations, pending or, to the Knowledge of Seller, threatened before the FCC relating to the Station, other than Proceedings affecting broadcast stations generally. Neither Seller, nor the Station, has entered into a tolling agreement or otherwise waived any statute of limitations relating to the Station during which the FCC may assess any fine or forfeiture or take any other action or agreed to any extension of time with respect to any FCC investigation or proceeding as to which the statute of limitations time period so waived or tolled or the time period so extended remains open as of the date of this Agreement.

(h) Seller has completed all obligations with respect to the Station required in connection with the broadcast incentive auction, reassignment and repack conducted by the FCC pursuant to Section 4603 of the Middle Class Tax Relief and Job Creation Act (Pub. L. No. 112-96, §6403, 126 Stat. 156, 225-230 (2012)) and there are no further actions to be taken or required to be taken by Seller or Buyer with respect to the Station's channel reassignment. Seller shall be solely responsible for obtaining any reimbursement of repack costs from the FCC.

Section 3.9. Litigation. There is no (a) Proceeding pending or, to the Knowledge of Seller, threatened against Seller with respect to the Business or the Station by or before any Governmental Authority or (b) Order against Seller with respect to the Business or the Station.

Section 3.10. All Assets; Title; Tangible Personal Property.

(a) The Purchased Assets constitute all the assets and properties, whether tangible or intangible, whether personal, real or mixed, wherever located, that are used or held for use by Seller primarily in the operation of the Station, except the Excluded Assets. The

Purchased Assets are sufficient to permit Buyer to operate the Station as currently conducted by Seller. Seller has good and valid title or a valid leasehold interest in all of the Purchased Assets free and clear of all Liens, except for Permitted Liens.

(b) Section 2.1(c) of the Disclosure Schedule contains a list of all material items of Tangible Personal Property. Each item of Tangible Personal Property is in good operating condition and repair (ordinary wear and tear excepted), is free from material defect or damage, is functioning in the manner and purposes for which it was intended and has been maintained in accordance with industry standards.

Section 3.11. Properties.

(a) Section 3.11(a) of the Disclosure Schedule sets forth (i) a list of all real property (by name and location) owned by Seller primarily for use in the Business (the “Owned Real Property”) and (ii) a list of the leases, subleases or other occupancies to which Seller is a party as tenant for real property primarily for use in the Business (the “Real Property Leases”).

(b) With respect to each Owned Real Property that constitutes a Purchased Asset, (i) Seller has good and marketable title to such Owned Real Property, free and clear of all Liens (other than Permitted Liens), (ii) there are no (A) unexpired options to purchase agreements, rights of first refusal or first offer or any other rights to purchase or otherwise acquire such Owned Real Property or any portion thereof or a direct or indirect interest therein or (B) other outstanding rights or agreements to enter into any contract for sale, ground lease or letter of intent to sell or ground lease such Owned Real Property, which, in each case, is in favor of any party other than Seller, (iii) policies of title insurance have been issued insuring, as of the effective date of each such insurance policy, fee simple title interest held by Seller, and (iv) there are no existing pending or, to the Knowledge of Seller, threatened condemnation, eminent domain or similar proceedings affecting such Owned Real Property.

(c) Seller (i) has valid leasehold title to each real property subject to a Real Property Lease, sufficient to allow Seller to conduct the Business as currently conducted, (ii) each Real Property Lease is valid, binding and in full force and effect, subject to the Enforceability Exceptions, and (iii) neither Seller nor, to the Knowledge of Seller, any other party to such Real Property Lease has violated any provision of, or taken or failed to take any act which, with or without notice, lapse of time, or both, would constitute a default under the provisions of such Real Property Lease.

(d) The Owned Real Property includes, and the Real Property Leases provide, sufficient access to the Station’s facilities without need to obtain any other access rights. All buildings and other improvements owned by Seller and included in the Real Property are in good operating condition and repair (ordinary wear and tear excepted) and free from material defect or damage and comply with applicable zoning, health and safety laws and codes. The Station’s towers, guy wires and anchors, ground systems and other facilities and improvements do not encroach upon any adjacent premises, and no facilities from adjacent premises encroach upon the Station’s properties. Seller has delivered to Buyer true and complete copies of all deeds, title insurance policies, title insurance commitments and surveys in its possession that are applicable to the Real Property.

Section 3.12. Intellectual Property.

(a) Section 3.12(a) of the Disclosure Schedule lists the Marks, Copyrights and Patents that are registered, issued or subject to an application for registration or issuance that are included in the Purchased Intellectual Property (the “Registered Intellectual Property”). The Registered Intellectual Property is subsisting and to the Knowledge of Seller, where registered, valid and enforceable. The Purchased Intellectual Property is owned by Seller free and clear of all Liens, except for Permitted Liens. Seller owns or has the right to use the Intellectual Property necessary for or material to the conduct of the Business.

(b) To the Knowledge of Seller, the conduct of the Business does not infringe, violate or misappropriate, and has not infringed, violated or misappropriated, any Intellectual Property of any other Person. There is no pending or, to the Knowledge of Seller, threatened Proceeding against Seller alleging any such infringement, violation or misappropriation. To the Knowledge of Seller, no Person is infringing, violating or misappropriating any Purchased Intellectual Property.

(c) Seller has taken commercially reasonable actions to maintain the Registered Intellectual Property (other than applications) and secrecy of the Trade Secrets that are included in the Purchased Intellectual Property.

Section 3.13. Taxes.

(a) All Tax Returns required to be filed by, on behalf of or with respect to the Business and the Purchased Assets have been duly and timely filed and are true, complete and correct in all material respects. All Taxes (whether or not reflected on such Tax Returns) required to be paid by the Business or with respect to the Purchased Assets have been duly paid. All Taxes required to be withheld by Seller with respect to the Business or the Purchased Assets have been duly and timely withheld, and such withheld Taxes have been either duly and timely paid to the proper Taxing Authority or properly set aside in accounts for such purposes.

(b) To the Knowledge of Seller, no Taxes with respect to the Business or the Purchased Assets are under audit or examination by any Taxing Authority. There are no Liens for Taxes on any of the Purchased Assets other than Permitted Liens. To the Knowledge of Seller, no claim has been made in writing or otherwise by a Taxing Authority of a jurisdiction where Seller has not filed Tax Returns with respect to the Business or the Purchased Assets claiming that Seller is or may be subject to taxation by that jurisdiction.

Section 3.14. Employee Benefit Plans.

(a) Section 3.14(a) of the Disclosure Schedule contains a correct and complete list identifying each material Employee Plan.

(b) Each Employee Plan has been maintained, funded, administered and operated in accordance with its terms and in compliance in all material respects with the requirements of applicable Law. Seller has not incurred nor is it reasonably expected to incur or to be subject to any material Tax or other penalty under Section 4980B, 4980D or 4980H of the Code in respect of any Employee or Employee Plan.

(c) Each Employee Plan that is intended to be qualified under Section 401(a) of the Code has received a determination or opinion letter from the IRS that it is so qualified and each related trust that is intended to be exempt from federal income taxation under Section 501(a) of the Code has received a determination or opinion letter from the IRS that it is so exempt and, to the Knowledge of Seller, no fact or event has occurred since the date of such letter or letters from the IRS that could reasonably be expected to adversely affect the qualified status of any such Employee Plan or the exempt status of any such trust.

(d) Neither Seller nor any of its ERISA Affiliates maintains, contributes to, or sponsors (or has in the past six (6) years maintained, contributed to, or sponsored) a “multiemployer plan” (as defined in Section 3(37) or Section 4001(a)(3) of ERISA) in respect of the Business or for the benefit of any Employees. Section 3.14(d) of the Disclosure Schedule lists each Employee Plan that is a plan subject to Title IV of ERISA. Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, (i) no Employee Plan is in “at risk status” as defined in Section 430(i) of the Code, (ii) no Employee Plan has any accumulated funding deficiency within the meaning of Section 412 of the Code or Section 302 of ERISA, whether or not waived and (iii) no liability under Title IV of ERISA has been incurred by Seller or any of their respective ERISA Affiliates that has not been satisfied in full, and no condition exists that presents a risk to Seller or any of its ERISA Affiliates of incurring or being subject (whether primarily, jointly or secondarily) to a liability (whether actual or contingent) thereunder.

(e) The consummation of the transactions contemplated hereby will not, either alone or in combination with another event, (i) result in any payment becoming due, accelerate the time of payment or vesting, or increase the amount of compensation (including severance) due to any current or former Employee, (ii) result in any forgiveness of indebtedness with respect to any current or former Employee or independent consultant or contractor of the Business, trigger any funding obligation under any Employee Plan or impose any restrictions or limitations on Seller’s rights to administer, amend or terminate any Employee Plan or (iii) result in the acceleration or receipt of any payment or benefit (whether in cash or property or the vesting of property) by Seller to any “disqualified individual” (as such term is defined in Treasury Regulations Section 1.280G-1) that would reasonably be expected, individually or in combination with any other such payment, to constitute an “excess parachute payment” (as defined in Section 280G(b)(1) of the Code). Seller has no obligation to provide any gross-up payment to any Employee with respect to any income Tax, additional Tax, excise Tax or interest charge imposed pursuant to Section 409A or Section 4999 of the Code.

(f) Each Employee Plan or other plan, program, policy or arrangement that constitutes a “nonqualified deferred compensation plan” within the meaning of Treasury Regulation Section 1.409A-1(a)(i), to the extent then in effect, (i) was operated in material compliance with Section 409A of the Code between January 1, 2005 and December 31, 2008, based upon a good faith, reasonable interpretation of (A) Section 409A of the Code or (B) guidance issued by the IRS thereunder (including IRS Notice 2005-1), to the extent applicable and effective (clauses (A) and (B), together, the “409A Authorities”), (ii) has been operated in material compliance with the 409A Authorities and the final Treasury Regulations issued thereunder since January 1, 2009 and (iii) has been in material documentary compliance with the 409A Authorities and the final Treasury Regulations issued thereunder since January 1, 2009.

(q) enter into any Contract with any Affiliate of Seller that constitutes a Purchased Asset or an Assumed Liability; or

(r) authorize, or agree or commit to do, any of the foregoing.

Buyer acknowledges and agrees that: (A) nothing contained in this Agreement shall give Buyer, directly or indirectly, the right to control or direct the operations of Seller or the Business prior to the Closing, (B) prior to the Closing, Seller shall exercise, consistent with the terms and conditions of this Agreement and the Communications Act, complete control and supervision over the operations of the Station and (C) notwithstanding anything to the contrary set forth in this Agreement, no consent of Buyer shall be required with respect to any matter set forth in this Section 5.1 or elsewhere in this Agreement to the extent that the requirement of such consent would violate any applicable Law. After the Closing, Seller shall have no right to control the Station, and Seller shall have no reversionary rights in the Station.

Section 5.2. Efforts. Within five (5) Business Days following the date of this Agreement, Seller and Buyer shall file with the FCC the necessary FCC Applications requesting its consent to the assignment of the FCC Licenses and all other assignable Government Authorizations issued by the FCC as contemplated by this Agreement. Seller and Buyer shall cooperate in the preparation of such applications and will diligently take, or cooperate in the taking of, all necessary, desirable and proper steps, to provide any additional information required by the FCC. Seller, on the one hand, and Buyer, on the other hand, shall bear the cost of FCC filing fees relating to the FCC Applications equally. Neither Seller nor Buyer shall take any intentional action that would, or intentionally fail to take such action the failure of which to take would, reasonably be expected to have the effect of preventing or materially delaying the receipt of the FCC Consent. The parties agree that they will reasonably cooperate to amend the FCC Applications as may be necessary or required to obtain the timely grant of the FCC Consent. Notwithstanding anything in the prior two sentences or anything else in this Agreement to the contrary, Buyer shall have no obligation to amend or modify the provisions of any Sharing Agreements that Buyer intends to enter into with third parties concurrently with Closing, which Sharing Agreements are part of the transactions contemplated by this Agreement, and any failure to make any such amendments or modifications shall not constitute a breach or default by Buyer under this Agreement.

Section 5.3. Notification of Certain Matters. Each of Seller and Buyer shall promptly notify and provide copies to the other of (a) any material written notice from any Person alleging that the approval or consent of such Person is or may be required in connection with the transactions contemplated by this Agreement, and (b) any written notice or other communication from any Governmental Authority related to the FCC Applications or the transactions contemplated by this Agreement; provided that the delivery of any notice pursuant to this Section 5.3 shall not (x) affect or be deemed to modify any representation, warranty, covenant, right, remedy, or condition to any obligation of any party hereunder or (y) update any section of the Disclosure Schedule.

Section 5.4. Access to the Business. From and after the date of this Agreement until the earlier to occur of the Closing Date and the termination of this Agreement in accordance with ARTICLE IX, upon reasonable advance notice and subject to applicable Law, Seller shall, and shall cause its Affiliates to, afford to Buyer and its directors, officers, employees, agents and professional advisors (including attorneys, accountants and financial advisors) (“Representatives”) reasonable access during normal business hours, to all of the properties, books, Contracts, commitments, records, officers and employees concerning the Business and the Purchased Assets, including the right to inspect such properties and make copies of such records, and, during such period Seller shall, and shall cause its Affiliates to, furnish to Buyer all other information concerning the Business and the Purchased Assets as Buyer may reasonably request.

Section 5.5. Multi-Station Contracts. Section 5.5 of the Disclosure Schedule contains a list as of the date hereof of each Contract which is included in the Purchased Assets and to which any Other Facility is party, or has rights or obligations thereunder (any such Contract, a “Multi-Station Contract”). The rights and obligations under the Multi-Station Contracts that are assigned to and assumed by Buyer (and included in the Purchased Assets and Assumed Liabilities, as the case may be) shall include only those rights and obligations under such Multi-Station Contracts that are applicable to the Station. The rights of each Other Facility with respect to such Contract and the obligations of each Other Facility to such Contract shall not be assigned to and assumed by Buyer (and shall be Excluded Assets and Excluded Liabilities, as applicable). For purposes of determining the scope of the rights and obligations of the Multi-Station Contracts, the rights and obligations under each Multi-Station Contract shall be equitably allocated among (1) the Station, on the one hand, and (2) the Other Facilities, on the other hand, in accordance with the following equitable allocation principles:

- (a) any allocation set forth in the Multi-Station Contract shall control;
- (b) if there is no allocation in the Multi-Station Contract as described in clause (a) hereof, then any reasonable allocation previously made by Seller in the ordinary course of business shall control; or
- (c) if there is no reasonable allocation as described in clause (b) hereof, then reasonable accommodation (to be determined by mutual good faith agreement of Seller and Buyer) shall control.

Subject to any applicable third-party consents, such allocation and assignment with respect to any Multi-Station Contract shall be effectuated, as mutually agreed by Seller and Buyer, by

termination of such Multi-Station Contract in its entirety with respect to the Station and the execution of new Contracts with respect to the Station or by an assignment to and assumption by Buyer of the rights and obligations related to the Station under such Multi-Station Contract. The parties shall use reasonable best efforts to obtain any such new Contracts or assignments to, and assumptions by, Buyer in accordance with this Section 5.5.

Section 5.6. Interim Reports.

(a) Within forty-five (45) days after the end of each calendar month during the period from the Balance Sheet Date through the Closing, Seller shall provide to Buyer, with respect to the Business and the Station, the unaudited statement of operations for such month ended. Such unaudited statements of operations shall be prepared on the same basis as the financial statements attached as Section 3.5 of the Disclosure Schedule and shall present fairly the results of operations for the period indicated.

(b) Seller shall use reasonable best efforts to provide to Buyer bi-weekly pacing reports for the Station promptly following the end of every other week during the period from the date hereof through the Closing.

Section 5.7. Title Commitments; Surveys. Buyer may, if it so elects at its sole option and expense, obtain (a) commitments for owner's and lender's title insurance policies on the Owned Real Property that constitute Purchased Assets and commitments for lessee's and lender's title insurance policies for real property that is leased pursuant to a Real Property Lease (collectively, the "Title Commitments") evidencing a commitment to issue an ALTA title insurance policy insuring good, marketable and indefeasible fee simple (or leasehold, if applicable) title to each parcel of the Real Property contemplated above for such amount as Buyer directs, and (b) an ALTA survey on each parcel of Real Property (the "Surveys"). Seller shall use its reasonable best efforts to reasonably cooperate with Buyer in obtaining such Title Commitments and Surveys; provided that Seller shall not be required to incur any cost, expense, or other liability in connection therewith (other than the fees of its counsel, if any). If the Title Commitments or Surveys reveal any Lien or encroachment on the title or Real Property other than Permitted Liens, Buyer shall notify Seller in writing of such objectionable matter promptly after Buyer becomes aware that such matter is not a Permitted Lien and Seller shall promptly remove such Lien or encroachment at its expense prior to Closing.

Section 5.8. Environmental Assessments. Prior to Closing, Buyer may, at its sole cost and expense, engage an environmental consulting firm to provide environmental assessments (each an "Environmental Assessment") with respect to any and all land under the Owned Real Property that constitutes Purchased Assets; provided that any such Environmental Assessment shall be (a) conducted only (i) during regular business hours, (ii) with no less than three (3) Business Days prior written notice to Seller, and (iii) in a manner which will not unduly interfere with the operation of the Business. Buyer agrees to (1) repair any damage to the Owned Real Property and (2) indemnify Seller from and against any Loss, in each case, caused by Buyer or its consultants in conducting any such Environmental Assessment. If any Environmental Assessment identifies a condition requiring remediation under Environmental Laws or a recommendation for further testing or current remediation, then Seller shall promptly complete such testing or remediation at its expense prior to Closing.

Section 5.9. Risk of Loss; Broadcast Interruption. The risk of loss of or damage to any of the Purchased Assets shall remain with Seller at all times until 12:01 a.m. local time on the day of Closing, and prior to Closing, Seller shall promptly repair and replace any lost or damaged Purchased Assets. If prior to Closing the Station is off the air or operating at a power level that results in a material reduction in coverage (a “Broadcast Interruption”), then Seller shall return the Station to the air and restore prior coverage as promptly as possible. Notwithstanding anything herein to the contrary, if prior to Closing there is a Broadcast Interruption in excess of twenty-four (24) hours, then Buyer may postpone Closing until the date five (5) Business Days after the Station returns to the air and prior coverage is restored in all material respects, subject to Section 9.1.

ARTICLE VI

Seller shall pay to Buyer promptly upon demand the amount of any Taxes shown as due thereon to the extent constituting an Excluded Liability.

(b) In the case of any Prorated Taxes for any Straddle Period, the portion of such Prorated Taxes that are allocable to the portion of such Straddle Period ending immediately prior to the Closing Date and that constitute an Excluded Liability shall be deemed to equal the amount of such Taxes for the entire Straddle Period multiplied by a fraction the numerator of which is the number of calendar days in the portion of the Straddle Period ending on the day before the Closing Date and the denominator of which is the number of calendar days in the entire Straddle Period, and the remaining portion of such Prorated Taxes shall be allocable to the portion of such Straddle Period beginning on the Closing Date and shall constitute an Assumed Liability. All Employees who accept an offer of employment from Buyer and commence employment on the Closing Date are referred to collectively as the “Transferred Employees”. Employment with Buyer will be on terms and conditions proposed by Buyer.

(b) Service Credit. For purposes of determining eligibility to participate, level of benefits, vesting and benefit accrual (other than benefit accrual under a defined benefit pension plan) under any plan maintained by Buyer in which Transferred Employees are eligible to participate, Buyer shall recognize or cause to be recognized for purposes of eligibility, level of benefits, vesting and benefit accruals each Transferred Employee’s service with Seller and its Affiliates, and with any predecessor employer, to the same extent recognized by Seller or its Affiliates, as service with Buyer to the same extent such service was recognized immediately prior to the Closing, except that such service need not be recognized to the extent such recognition would result in the duplication of benefits for the same period of service.

(c) 401(k) Plan. Seller shall terminate its existing tax-qualified defined contribution plan established or designated by Seller or any of its Affiliates (“Seller’s 401(k) Plan”) one (1) Business Day prior to Closing with respect to Transferred Employees,

(d) Welfare Plans. Seller shall retain responsibility for and continue to pay all medical, life insurance, disability and other welfare plan expenses and benefits for each Transferred Employee with respect to claims incurred under the terms of the Employee Plans by such Employees and their covered dependents prior to the Closing Date. Expenses and benefits with respect to claims incurred by Transferred Employees and their covered dependents on or after the Closing Date shall be the responsibility of Buyer. Expenses and benefits with respect to claims incurred by Employees who do not become Transferred Employees and their covered dependents on or after the Closing Date shall be the responsibility of Seller. With respect to any welfare benefit plans maintained by Buyer in which the Transferred Employees are eligible to participate on or after the Closing Date, to the extent permitted by Law and the reasonable requirements of Buyer’s plans, Buyer shall use reasonable best efforts to (i) cause there to be waived any eligibility requirements or pre-existing condition limitations and (ii) give effect, in determining any deductible and maximum out-of-pocket limitations, amounts paid by such Transferred Employees (and their covered dependents) under the Employee Plans.

(e) Vacation. Subject to Section 2.6, Buyer shall assume as of the Closing all liabilities for unpaid, accrued vacation of each Transferred Employee as of the Closing Date, giving service credit under the Paid Time Off (“PTO”) policy of Buyer for service with Seller and shall permit Transferred Employees to use their vacation entitlement accrued as of Closing in accordance with the PTO policy of Buyer as of the Closing.

Under this procedure, (A) Seller or one of its Affiliates shall provide all required Forms W-2 to (x) all Transferred Employees reflecting wages paid and taxes withheld by Seller or any of its Affiliates prior to the Closing Date, and (y) all other employees and former employees of Seller or any of its Affiliates who are not Transferred Employees reflecting all wages paid and taxes withheld by Seller or any of its Affiliates, and (B) Buyer shall provide all required Forms W-2 to all Transferred Employees reflecting all wages paid and taxes withheld by Buyer on and after the Closing Date.

(h) Without limiting the generality of 0, nothing in this Section 6.2, express or implied, is intended to confer on any Person (including any Transferred Employees and any current or former employees of Seller or its Affiliates other than the parties hereto and their respective successors and assigns), any rights, benefits, remedies, obligations or liabilities (including any third-party beneficiary rights) under or by reason of this Section 6.2. Accordingly, notwithstanding anything to the contrary in this Section 6.2, the parties expressly acknowledge and agree that this Agreement is not intended to create a Contract between Buyer, Seller or any of their respective Affiliates, on the one hand, and any employee of Seller or any of its Affiliates on the other hand, and no employee of Seller or any of its Affiliates may rely on this Agreement as the basis for any breach of Contract claim against Buyer, Seller or any of their respective Affiliates. Nothing in this Section 6.2 shall constitute an amendment to or modification of any Employee Plan or other compensation or benefit plan, program, policy, agreement or arrangement.

Section 6.3. Use of Names. Within five (5) Business Days after Closing (if not completed prior to or at Closing), Seller shall, at its expense, take all actions and make all filings necessary to terminate or withdraw its authorization from the state of Michigan to use "WADL-TV" as an assumed name. From and after Closing, Seller shall immediately cease all use of WADL-TV" (or similar names thereto) as an assumed name.

Section 6.4. Receivables. Within two (2) Business Days after Closing, Seller will deliver to Buyer a written statement setting forth the outstanding advertising accounts receivable of the Business as of the Cutoff Time (the "Accounts Receivable"). Buyer will use commercially reasonable efforts to collect the Accounts Receivable in the same manner and with the same diligence that Buyer uses to collect its own accounts receivable, including account reconciliation procedures, for a period of ninety (90) calendar days following the Closing Date (the "Collection Period"). Buyer will not be obligated to, and without the prior written consent of Seller will not, institute litigation, employ any collection agency, legal counsel or other Third Party, or take any other extraordinary means of collections or pay any expenses to Third Parties to collect the Accounts Receivable. All amounts collected by Buyer after the Closing from an account debtor of the Business will be applied first to the Accounts Receivable of such account debtor in the order of their origination, unless the account debtor disputes such Accounts Receivable in writing or designates payment of a different accounts receivable in writing. If during

the Collection Period a dispute arises with regard to an account included among the Accounts Receivable, Buyer shall promptly advise Seller thereof and may (or, if requested by Seller in writing, shall) return that account to Seller. Buyer shall pay to Seller, as soon as reasonably practicable but in any event within thirty (30) calendar days after the end of each month during the Collection Period, the actual receipt of the proceeds of the Accounts Receivable collected by Buyer during such month. At the end of the Collection Period, collection of any remaining Accounts Receivable shall be returned to Seller and Buyer will have no further obligations with respect to the Accounts Receivable.

Section 6.5. Access to Records after the Closing.

(a) For a period of six (6) years after the Closing Date, Seller and its representatives shall have reasonable access to all of the books and records of the Business transferred to Buyer hereunder to the extent that such access may reasonably be required by Seller in connection with matters relating to or affected by the operations of the Business prior to the Closing Date. Such access shall be afforded by Buyer upon receipt of reasonable advance notice and during normal business hours and shall not unreasonably interfere with Buyer's business or operations. Seller shall be solely responsible for any costs or expenses incurred by it pursuant to this Section 6.5(a). If Buyer shall desire to dispose of any of such books and records prior to the expiration of such six (6) year period, it shall, prior to such disposition, give Seller a reasonable opportunity, at Seller's expense, to segregate and remove such books and records as Seller may select.

(b) For a period of six (6) years after the Closing Date, Buyer and its representatives shall have reasonable access to all of the books and records relating to the Purchased Assets which Seller may retain after the Closing Date. Such access shall be afforded by Seller upon receipt of reasonable advance notice and during normal business hours and shall not unreasonably interfere with Seller's business or operations. Buyer shall be solely responsible for any costs and expenses incurred by it pursuant to this Section 6.5(b). If Seller shall desire to dispose of any of such books and records prior to the expiration of such six (6) year period, it shall, prior to such disposition, give Buyer a reasonable opportunity, at Buyer's expense, to segregate and remove such books and records as Buyer may select.

Section 6.6. No Solicitation.

(a) From the date hereof until the earlier of the Closing and the termination of this Agreement in accordance with ARTICLE IX, Seller shall not, and, to the extent of its control, will not authorize or permit the other Seller Group Members to, (i) solicit or encourage the making of any inquiry, proposal or offer that constitutes or could reasonably be expected to lead to an Alternative Proposal, (ii) disclose any non-public information about Seller or the Station to any Person making an inquiry or proposal that constitutes, or could reasonably be expected to lead to, an Alternative Proposal, (iii) enter into, participate in, maintain or continue any discussions or negotiations regarding any inquiry or proposal that constitutes, or could reasonably be expected to lead to, an Alternative Proposal or (iv) enter into any agreement regarding an Alternative Proposal.

(b) From the Closing Date until the twelve (12) month anniversary of the Closing Date, Seller shall not, and shall not authorize or permit any of its Affiliates to, solicit, hire or attempt to hire for employment any Transferred Employee, without the prior written consent of Buyer; provided that (i) Seller and its Affiliates may solicit and hire any such Transferred Employee who has been terminated by Buyer or any of its Affiliates, (ii) Seller and its Affiliates may solicit and hire any such Transferred Employee whose employment with Buyer or any of its Affiliates has been terminated by such Transferred Employee at any time after the six-month anniversary of such termination and (iii) nothing in this sentence shall prohibit Seller or any of its Affiliates from engaging in general solicitation that is not directed specifically to any such Transferred Employees or hiring any person who responds to any such general solicitation.

Section 6.7. Public Announcements; Confidentiality. Each party agrees that it will, and will cause its respective Affiliates to, keep this Agreement and the transactions contemplated hereby confidential and not disclose (except as required by applicable Law or as mutually agreed by the parties hereto) such information to any Third Party unless (a) the disclosing party reasonably believes that such disclosure is required by applicable Law (including promulgated by the FCC, the Securities Exchange Commission or other regulatory body), (b) the disclosing party is requested or required to disclose such information by governmental, judicial or regulatory authority or process, or (c) such information is disclosed in any Proceeding brought by a party in pursuit of its rights or in the exercise of its remedies under this Agreement; provided, however, in the case of disclosure pursuant to clauses (a) or (b) above, the disclosing party shall disclose only such information that it believes it is required to disclose and, to the extent practicable, shall give the other party reasonable advance written notice of such intended disclosure so that such party may seek a protective order; and provided, further, that the parties agree that their directors, officers, partners, members, employees, affiliates, brokers, agents or other representatives (including financial advisors, attorneys and accountants) may be permitted to know of the existence and the terms and conditions of this Agreement and the transactions contemplated hereby on a confidential, need to know basis in the course of normal business activity. Without limiting the right of either party to pursue all other legal and equitable rights available to it for violation of this Section 6.7 by the other party, it is agreed that other remedies cannot fully compensate the aggrieved party for such a violation of this Section 6.7 and that the aggrieved party shall be entitled to injunctive relief to prevent a violation or continuing violation hereof, without need to post any bond or other equity. Notwithstanding any provision to the contrary in this Section 6.7, Seller agrees that either party may disclose this Agreement and the transactions contemplated hereby to Nexstar Media Inc. and its subsidiaries and Affiliates (collectively “Nexstar”), with which Buyer intends to enter into one or more Sharing Agreements at Closing, and Nexstar’s representatives (including financial advisors, attorneys and accountants).

Section 6.8. Cooperation in Litigation. From and after the Closing Date, Buyer and Seller shall (and shall cause their respective Affiliates to) reasonably cooperate with each other at the requesting party’s expense in the prosecution or defense of any Proceeding arising from or related to the operation of the Station and involving one or more Third Parties (other than a dispute between Buyer or its Affiliates and Seller or its Affiliates). The party requesting such cooperation shall pay the reasonable, documented out-of-pocket expenses (excluding internal costs) incurred in providing such cooperation (including reasonable legal fees and disbursements) by the party providing such cooperation and by its Affiliates and its and their officers, members, directors, employees and agents.

ARTICLE VII

CONDITIONS PRECEDENT TO OBLIGATIONS OF SELLER AND BUYER

Section 7.1. Conditions to Obligations of Each Party. The obligations of Seller and Buyer to consummate the sale and purchase of the Purchased Assets contemplated hereby are subject to the satisfaction, at or prior to the Closing, of the following conditions (which may be waived, in whole or in part, to the extent permitted by applicable Law, by the mutual consent of Seller and Buyer):

(a) **Regulatory Approval.** The FCC Consent shall have been granted.

(b) **Statutes and Injunctions.** No Law or Order (whether temporary, preliminary or permanent) shall have been promulgated, entered, enforced, enacted or issued or be applicable to this Agreement by any Governmental Authority that prohibits or makes illegal the consummation of the Closing.

Section 7.2. Conditions to Obligations of Buyer. The obligations of Buyer to consummate the purchase of the Purchased Assets contemplated hereby shall be subject to the satisfaction, at or prior to the Closing, of the following conditions (which may be waived, in whole or in part, to the extent permitted by applicable Law, by Buyer):

(a) **Representation and Warranties.** The representations and warranties of Seller contained in this Agreement and in any certificate delivered pursuant hereto shall be true and correct in all material respects (without giving effect to any qualifiers or exceptions relating to “materiality” or “Material Adverse Effect” set forth in such representations and warranties) on the Closing Date as though made on the Closing Date (except to the extent that they expressly speak as of a specific date or time other than the Closing Date, in which case they need only have been true and correct as of such specified date or time).

(b) **Performance of Obligations of Seller.** Seller shall have performed in all material respects its covenants and obligations under this Agreement required to be performed by it at or prior to the Closing.

(c) **Deliveries.** Seller shall have delivered (or stand ready to deliver) to Buyer (i) a certificate, dated as of the Closing Date, signed by an executive officer of Seller and certifying as to the satisfaction of the conditions specified in Section 7.2(a) and Section 7.2(b) and (ii) the deliveries contemplated by Section 2.7(a).

(d) **Consents.** The consents set forth on Section 7.2(d) of the Disclosure Schedule shall have been obtained.

(e) **Material Adverse Effect.** There shall have been no Material Adverse Effect since the date of this Agreement.

(f) **Liens.** Any Liens on the Purchased Assets that are not Permitted Liens shall have been released or signed customary payoff letters agreeing to release said Liens shall have been delivered by the lienholders.

Section 7.3. Conditions to Obligations of Seller. The obligations of Seller to consummate the sale of the Purchased Assets contemplated hereby shall be subject to the satisfaction, at or prior to the Closing, of the following conditions (which may be waived, in whole or in part, to the extent permitted by applicable Law, by Seller):

(a) **Representations and Warranties.** The representations and warranties of Buyer contained in this Agreement and in any certificate delivered pursuant hereto shall be true and correct in all material respects (without giving effect to any qualifiers or exceptions relating to “materiality” set forth in such representations and warranties) on the Closing Date as though made on the Closing Date (except to the extent that they expressly speak as of a specific date or time other than the Closing Date, in which case they need only have been true and correct as of such specified date or time).

(b) **Performance of Obligations of Buyer.** Buyer shall have performed in all material respects its covenants and obligations under this Agreement required to be performed by it at or prior to the Closing Date.

(c) **Deliveries.** Buyer shall have delivered (or stand ready to deliver) to Seller (i) a certificate, dated as of the Closing Date, signed by an executive officer of Buyer and certifying as to the satisfaction of the conditions specified in Section 7.3(a) and Section 7.3(b), and (ii) the deliveries contemplated by Section 2.7(b).

ARTICLE VIII

INDEMNIFICATION

Section 8.1. Survival. All of the representations or warranties contained in this Agreement will survive the Closing until the eighteen (18) month anniversary of the Closing Date; provided that those with respect to title to the Purchased Assets shall survive indefinitely and that the Fundamental Representations shall survive until the date that is sixty (60) days after expiration of the applicable statute of limitations, except in each case, in the case of actual fraud. The covenants and agreements in this Agreement will survive until performed or otherwise in accordance with their terms set forth herein. No party shall have any liability to another party for any claim made following the applicable expiration date. Notwithstanding the foregoing, if a party provides a Claim Notice in accordance with Section 8.4 prior to the applicable expiration date, such claim shall survive until finally resolved. Buyer and Seller further acknowledge that the time periods set forth herein for the assertion of claims under this Agreement are the result of arms-length negotiation among the parties and that they intend for the time periods to be enforced as agreed by the parties.

Section 8.2. Indemnification by Seller. From and after the Closing and subject to Section 8.1, Section 8.6 and Section 8.7, Seller shall indemnify, defend and hold harmless the Buyer Group Members from and against any and all Losses imposed upon, or incurred or suffered by, any Buyer Group Member as a result of or arising out of:

(a) any breach of any of the representations and warranties of Seller contained in this Agreement;

(b) any breach by Seller of, or any other failure of Seller to perform, any of its covenants, agreements or obligations in this Agreement;

(c) any of the Excluded Liabilities; and/or

(d) the operation of the Business and/or the ownership and/or use of the Purchased Assets prior to Closing (including any Third Party claim arising from such operations), other than the Assumed Liabilities.

Section 8.3. Indemnification by Buyer. From and after the Closing and subject to Section 8.1, Section 8.6 and Section 8.7, Buyer shall indemnify, defend and hold harmless the Seller Group Members from and against any and all Losses imposed upon, or incurred or suffered by, any Seller Group Member as a result of or arising out of:

(a) any breach of any of the representations and warranties of Buyer contained in this Agreement;

(b) any breach by Buyer of, or any other failure of Buyer to perform, any of its covenants, agreements or obligations in this Agreement;

(c) any of the Assumed Liabilities; and/or

(d) except for claims in respect of which Seller is obligated to indemnify Buyer Group Members pursuant to Section 8.2, Buyer's (or any successor's or assignee's) operation of the Business and/or the ownership and/or use of the Purchased Assets after the Closing Date (including any Third Party claim arising from such operations).

Section 8.4. Notice of Claims; Determination of Amount.

(a) Any party seeking indemnification hereunder (the "Indemnified Party") shall give promptly to the party or parties, as applicable, obligated to provide indemnification to such Indemnified Party (the "Indemnitor") a written notice (a "Claim Notice") describing in reasonable detail the facts giving rise to the claim for indemnification hereunder and shall include in such Claim Notice (if then known) the amount or the method of computation of the amount of such claim, and a reference to the provision of this Agreement or any certificate delivered hereunder upon which such claim is based. Subject to Section 8.1, the failure of any Indemnified Party to give the Claim Notice promptly as required by this Section 8.4 shall not affect such Indemnified Party's rights under this ARTICLE VIII except to the extent such failure is actually prejudicial to the rights and obligations of the Indemnitor.

(b) In calculating any Loss there shall be deducted (i) any insurance recovery actually received in respect thereof; (ii) any recovery in respect thereof which is obtained from any other third Person (and no right of subrogation shall accrue hereunder to any such insurer or other third Person) and (iii) any Tax benefit realized by the Indemnified Party arising from such Loss.

(c) For the purposes of determining (i) whether any breach of any representation or warranty contained in this Agreement (other than the representations and

warranties contained in Section 3.6) has occurred and (ii) the amount of Losses resulting from any such breach, the determination shall, in each case, be made without references to the terms “material,” “materiality,” “Material Adverse Effect,” “material adverse effect” or other similar qualifications as to materiality (other than specific monetary thresholds) contained in any such representation or warranty.

(d) After the giving of any Claim Notice pursuant hereto, the amount of indemnification to which an Indemnified Party shall be entitled under this ARTICLE VIII shall be determined: (i) by the written agreement between the Indemnified Party and the Indemnitor; (ii) by an Order of any court of competent jurisdiction; or (iii) by any other means to which the Indemnified Party and the Indemnitor shall agree. The Indemnified Party shall have the burden of proof in establishing the amount of Losses suffered by it.

(e) For the avoidance of doubt, this ARTICLE VIII provides for indemnification against Losses incurred or sustained by one or more of the Indemnified Parties whether in connection with a direct claim by any Indemnified Party or in respect of Losses incurred or sustained as a result of a third party claim.

Section 8.5. Third Person Claims.

(a) In the event an Indemnified Party provides the Indemnitor notice pursuant to Section 8.4 in respect of, arising out of or involving a claim or demand made by any third Person against the Indemnified Party (the “Third Person Claim Notice”), thereafter the Indemnified Party shall promptly deliver to the Indemnitor a copy of the Third Person Claim Notice and copies of all notices and documents (including court papers) received by the Indemnified Party relating to the third Person claim. Notwithstanding the foregoing, should a party be physically served with a complaint with regard to a third Person claim, the Indemnified Party must notify the Indemnitor with a copy of the complaint promptly after receipt thereof and shall deliver to the Indemnitor promptly after the receipt of such complaint copies of notices and documents (including court papers) received by the Indemnified Party relating to the third Person claim. Subject to Section 8.1, the failure of any Indemnified Party to promptly provide a Third Person Claim Notice as required by this Section 8.5 shall not affect such Indemnified Party’s rights under this ARTICLE VIII except to the extent such failure is actually prejudicial to the rights and obligations of the Indemnitor.

(b) In the event of the initiation of any legal proceeding against the Indemnified Party by a third Person, the Indemnitor shall have the sole and absolute right after the receipt of a Third Person Claim Notice, at its option and at its own expense, to be represented by counsel of its choice and to control, defend against, negotiate, settle or otherwise deal with any proceeding, claim, or demand which relates to any loss, liability or damage indemnified against hereunder; provided, however, that the Indemnified Party may participate in any such proceeding with counsel of its choice and at its expense. The parties hereto agree to cooperate fully with each other in connection with the defense, negotiation or settlement of any such proceeding, claim or demand. Prior to the time the Indemnified Party is notified by the Indemnitor as to whether the Indemnitor will assume the defense of such proceeding, claim or demand, the Indemnified Party shall take all actions reasonably necessary to timely preserve the collective rights of the parties with respect to such proceeding, claim or demand, including responding timely to legal process.

To the extent the Indemnitor elects not to defend such proceeding, claim or demand (or fails to confirm its election) within fifteen (15) days after the giving by the Indemnified Party to the Indemnitor of a Third Person Claim Notice, the Indemnified Party may retain counsel, reasonably acceptable to the Indemnitor, at the expense of the Indemnitor, and control the defense of, or otherwise deal with, such proceeding, claim or demand. Regardless of which party assumes the defense of such proceeding, claim or demand, the parties agree to cooperate with one another in connection therewith. Such cooperation shall include providing records and information that are relevant to such proceeding, claim or demand and are reasonably requested by a party. Whether or not the Indemnitor assumes the defense of such proceeding, claim or demand, the Indemnified Party shall not admit any liability with respect to, or settle, compromise or discharge, such proceeding, claim or demand without the Indemnitor's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed). The Indemnitor shall not consent to a settlement of, or the entry of any judgment arising from, any such proceeding, claim or demand without the Indemnified Party's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed) unless such settlement or judgment (i) relates solely to monetary damages for which the Indemnitor shall be responsible and (ii) includes as an unconditional term thereof the release of the Indemnified Party from all liability with respect to such proceeding, claim or demand, in which event no such consent shall be required. After any judgment or award shall have been rendered by a court, arbitration board or administrative agency of competent jurisdiction, or a settlement shall have been consummated, or the Indemnified Party and the Indemnitor shall arrive at a mutually binding agreement with respect to each separate matter alleged to be indemnified by the Indemnitor hereunder, the Indemnified Party shall forward to the Indemnitor notice of any sums due and owing by it with respect to such matter and the Indemnitor shall pay all of the sums so owing to the Indemnified Party by wire transfer, certified or bank cashier's check within fifteen (15) days after the date of such notice.

(c) The party that has assumed the control or defense of any such proceeding, claim or demand made by a third Person against the other party shall (i) provide the other party with the right to participate in any meetings or negotiations with any Governmental Authority or other third Person and reasonable advance notice of any such meetings or negotiations, (ii) provide the other party with the right to review in advance and provide comments on any draft or final documents proposed to be submitted to any Governmental Authority or other third Person, and (iii) keep the other party reasonably informed with respect to such proceeding, demand or claim, including providing copies of all documents provided to, or received from, any Governmental Authority or any other third Person in connection with such proceeding, demand or claim. Buyer Group Members, on the one hand, and Seller Group Members, on the other hand, covenant and agree to maintain the confidence of all such drafts and comments provided by the other.

(d) To the extent of any inconsistency between this Section 8.5 and Section 6.1(c) with respect to Taxes, the provisions of Section 6.1(c) shall control.

Section 8.6. Limitations; Subrogation; Exclusive Remedies.

(a) Seller shall not be required to indemnify and hold harmless any Buyer Group Members pursuant to Section 8.2(a) unless and until the aggregate amount of Buyer Group Members' Losses resulting from any breach or inaccuracy of the representations and warranties contained in this Agreement exceeds the Deductible, and then only to the extent of such Losses in excess of the Deductible; provided, however, that the cumulative indemnification obligation of Seller under Section 8.2(a) shall in no event exceed the Cap; provided, further, however, that the foregoing limitations shall not apply in connection with claims for actual fraud or breaches of a Fundamental Representation.

(b) In any case where the Indemnified Party recovers from third Persons any amount in respect of a matter with respect to which the Indemnitor has indemnified it pursuant to this ARTICLE VIII, the Indemnified Party shall promptly pay over to the Indemnitor the amount so recovered (after deducting therefrom the full amount of the expenses incurred by it in procuring such recovery), but not in excess of any amount previously so paid by the Indemnitor to or on behalf of the Indemnified Party in respect of such matter.

(c) In the case where the Indemnitor makes any payment to the Indemnified Party in respect of any Loss, the Indemnitor shall, to the extent of such payment, be subrogated to all rights of the Indemnified Party against any third Person in respect of the Loss to which such payment relates. The Indemnified Party and the Indemnitor shall execute upon request all instruments reasonably necessary to evidence or further perfect such subrogation rights.

(d) Except for remedies that cannot be waived as a matter of Law, claims arising from common law fraud with respect to the representations and warranties set forth herein or injunctive and provisional relief, if the Closing occurs, this ARTICLE VIII shall be the exclusive remedy for breaches of this Agreement (including any covenant, obligation, representation or warranty contained in this Agreement or in any certificate delivered pursuant to this Agreement) or otherwise relating to the subject matter of this Agreement, including any claims arising under any Environmental Laws.

Section 8.7. No Special Damages; Mitigation. Notwithstanding anything to the contrary contained in this Agreement, none of the parties hereto shall have any liability under any provision of this ARTICLE VIII for any punitive, exemplary, consequential, special or indirect damages, except to the extent such damages are actually awarded to a third Person. Each of the parties agrees to use commercially reasonable steps to mitigate their respective Losses upon and after becoming aware of any event or condition which could reasonably be expected to give rise to any Losses that are indemnifiable hereunder, including using its reasonable best efforts to obtain insurance proceeds in respect thereof.

Section 8.8. Tax Treatment of Indemnification Payments. All indemnification payments made under this Agreement shall be treated for Tax purposes only as an adjustment to the Purchase Price to the maximum extent permitted by applicable Law.

ARTICLE IX

TERMINATION

Section 9.1. Termination.

(a) This Agreement may be terminated at any time prior to the Closing:

(i) by the mutual written consent of Seller and Buyer;

(ii) by Seller, if a breach or failure to perform any of the covenants or agreements of Buyer contained in this Agreement shall have occurred, or there shall be any inaccuracy of any of the representations or warranties of Buyer contained in this Agreement, and such breach, failure to perform or inaccuracy either individually or in the aggregate would, if occurring or continuing on the Closing Date, give rise to the failure of a condition set forth in Section 7.3 or Section 7.1 to be satisfied, and such breach, failure to perform or inaccuracy if curable, is not cured by, on or before the earlier of (A) the Termination Date or (B) thirty (30) days following Buyer's receipt of written notice from Seller of such breach, failure to perform or inaccuracy, or which by its nature or timing cannot be cured prior to the Termination Date; provided, however, that Seller shall not have the right to terminate this Agreement pursuant to this Section 9.1(a)(ii) if Seller is then in breach of any of its covenants or agreements contained in this Agreement or any of the representations or warranties of Seller contained in this Agreement shall be inaccurate, and, in any such case would give rise to the failure of a condition set forth in Section 7.2 to be satisfied;

(iii) by Buyer, if a breach or failure to perform any of the covenants or agreements of Seller contained in this Agreement shall have occurred, or there shall be any inaccuracy of any of the representations or warranties of Seller contained in this Agreement, and such breach, failure to perform or inaccuracy either individually or in the aggregate would, if occurring or continuing on the Closing Date, give rise to the failure of a condition set forth in Section 7.2 or Section 7.1 to be satisfied, and such breach, failure to perform or inaccuracy if curable, is not cured by, on or before the earlier of (A) the Termination Date or (B) thirty (30) days following Seller's receipt of written notice from Buyer of such breach, failure to perform or inaccuracy, or which by its nature or timing cannot be cured prior to the Termination Date; provided, however, that Buyer shall not have the right to terminate this Agreement pursuant to this Section 9.1(a)(iii) if Buyer is then in breach of any of its covenants or agreements contained in this Agreement or any of the representations or warranties of Buyer contained in this Agreement shall be inaccurate, and, in any such case would give rise to the failure of a condition set forth in Section 7.3 to be satisfied;

(iv) by Buyer, if the FCC Applications have not been filed on or before the date five (5) Business Days from date of this Agreement; provided, however, that Buyer shall not have the right to terminate this Agreement pursuant to this Section 9.1(a)(iv) if the failure to file the FCC Applications by such date is due to Buyer's material breach of any of its covenants or agreements contained in this Agreement;

(v) by Seller or Buyer, if (A) there shall be any Law that prohibits the consummation of the transactions contemplated by this Agreement or (B) any Governmental Authority of competent jurisdiction shall have issued an Order enjoining or otherwise prohibiting the consummation of the sale of the Purchased Assets contemplated by this Agreement; or

(vi) by Seller or Buyer, if the Closing shall not have been consummated on or before September 30, 2023 (the “Termination Date”).

(b) The party desiring to terminate this Agreement pursuant to Section 9.1(a) (other than pursuant to Section 9.1(a)(i)) shall give written notice of such termination to the other party.

(c) In the event that this Agreement shall be terminated pursuant to Section 9.1(a), all further obligations of the parties under this Agreement (other than Section 6.7, this ARTICLE IX and ARTICLE X), shall be terminated without further liability of any party; provided that nothing herein shall relieve any party from liability for any breach of this Agreement except in the event of payment of liquidated damages in accordance with Section 9.1(d).

(d) In the event this Agreement is terminated by Seller for Buyer’s breach pursuant to Section 9.1(a)(ii), then the parties agree that Buyer shall forfeit any right to the Deposit and Seller shall be entitled to the Deposit as liquidated damages and the sole remedy of Seller for Buyer’s breach of this Agreement. In such case the parties shall jointly direct the Escrow Agent to promptly release the Deposit to the Seller. Upon such a termination and Seller’s receipt of the Deposit, Buyer shall have no further obligation or liability to Seller or its Affiliates with respect to this Agreement or otherwise. Seller hereby waives all other legal and equitable remedies it may otherwise have as a result of any breach or default by Buyer under this Agreement. The parties hereby agree that the Seller’s Losses in the event of such a termination are difficult to determine and that the Deposit is a good faith and accurate amount of such Losses. Seller and Buyer acknowledge and agree that the agreement to pay the Deposit is an integral part of the transactions contemplated by this Agreement and that, without that agreement, Seller would not have entered into this Agreement, and further that any amounts payable under this Section 9.1(d) do not constitute a penalty but rather are liquidated damages in a reasonable amount to compensate Seller for its efforts and resources expended and its opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the transactions contemplated by this Agreement.

(e) If this Agreement is terminated for any reason other than pursuant to Section 9.1(a)(ii), the Deposit and any interest accrued thereon shall be disbursed to Buyer. In such case the parties shall jointly direct the Escrow Agent to promptly release the Deposit to Buyer.

ARTICLE X

MISCELLANEOUS

Section 10.1. Amendment and Modification. Subject to applicable Law, this Agreement may be amended, modified or supplemented in any and all respects by written

agreement of Seller and Buyer at any time whether prior to or after the Closing with respect to any of the terms contained herein.

Section 10.2. Waiver. Subject to applicable Law, Buyer on the one hand, or Seller on the other hand, may (a) extend the time for the performance of any of the obligations or other acts of the other party, (b) waive any inaccuracies in the representations and warranties contained in this Agreement or in any document delivered pursuant to this Agreement of the other party or (c) waive compliance by the other party with any of the agreements or conditions contained in this Agreement. Any agreement on the part of a party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of both parties. The failure of any party to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of such rights, nor shall any single or partial exercise by any party of any of its rights under this Agreement preclude any other or further exercise of such rights or any other rights under this Agreement.

Section 10.3. Expenses. Except as otherwise expressly provided herein, all costs and expenses incurred in connection with this Agreement shall be paid by the party incurring such cost or expense.

Section 10.4. Disclosure Schedule References. All capitalized terms not defined in the Disclosure Schedule to this Agreement (the “Disclosure Schedule”) shall have the meanings assigned to them in this Agreement. Each item disclosed in the Disclosure Schedule shall constitute an exception to or, as applicable, disclosure for the purposes of, the representations and warranties (or covenants, as applicable) to which it makes express reference and shall also be deemed to be disclosed or set forth for the purposes of every other part in the Disclosure Schedule relating to the representations and warranties (or covenants, as applicable) set forth in this Agreement to the extent a cross-reference within the Disclosure Schedule is expressly made to such other part in the Disclosure Schedule, as well as to the extent that the relevance of such item as an exception to or, as applicable, disclosure for purposes of, such other section of this Agreement is reasonably apparent from the face of such disclosure. The listing of any matter on the Disclosure Schedule shall not be deemed to constitute an admission by Seller or Buyer, as applicable, or to otherwise imply, that any such matter is material, is required to be disclosed by Seller or Buyer under this Agreement or falls within relevant minimum thresholds or materiality standards set forth in this Agreement. No disclosure in the Disclosure Schedule relating to any possible breach or violation by Seller or Buyer of any Law shall be construed as an admission or indication that any such breach or violation exists or has actually occurred. In no event shall the listing of any matter in the Disclosure Schedule be deemed or interpreted to expand the scope of the representations, warranties, covenants or agreements set forth in this Agreement.

Section 10.5. Notices. All notices and other communications hereunder shall be in writing and shall be deemed given if delivered personally, by email (with confirmation of receipt) or sent by a nationally recognized overnight courier service, such as Federal Express, to the parties at the following addresses (or at such other address for a party as shall be specified by like notice made pursuant to this Section 10.5):

Section 10.6. Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement, it being understood that each party hereto need not sign the same counterpart. Signatures delivered electronically shall be deemed to be original signatures.

Section 10.7. Entire Agreement; No Third-Party Beneficiaries. This Agreement (including the Disclosure Schedule and any Exhibits hereto), (a) constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, between Seller and Buyer with respect to the subject matter hereof and (b) is not intended to and does not confer any rights, benefits, remedies, obligations or liabilities upon any Person other than the parties, their respective successors and permitted assigns, and the Buyer Group Members and Seller Group Members pursuant to ARTICLE VIII.

Section 10.8. Severability; Assignment. If any term or other provision of this Agreement is held by a court of competent jurisdiction or other authority to be invalid, void, unenforceable or against its regulatory policy, the remainder of the terms and provisions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated, so long as the economic and legal substance of the transactions contemplated hereby, taken as a whole, is not affected in a manner materially adverse to any party hereto. Upon such a determination, the parties to this Agreement shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto, in whole or in part (whether by operation of Law or otherwise), without the prior written consent of the other party, and any such assignment without such consent shall be null and void. This Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and permitted assigns.

Section 10.9. Governing Law. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of Delaware, without giving effect to conflicts of laws principles that would result in the application of the Law of any other state. The prevailing party in any proceeding brought to enforce the performance or compliance of any provision of this Agreement may recover reasonable attorneys' fees and costs from the non-prevailing party.

Section 10.10. Enforcement; Exclusive Jurisdiction.

(a) The rights and remedies of the parties to this Agreement shall be cumulative with and not exclusive of any other remedy conferred hereby. The parties hereto agree that irreparable damage would occur and that Buyer would not have any adequate remedy at law in the event that any of the provisions of this Agreement were not performed by Seller in accordance with their specific terms or were otherwise breached. It is accordingly agreed that Buyer shall be entitled to an injunction or injunctions to prevent breaches or threatened breaches of this Agreement by Seller and to enforce specifically the terms and provisions of this Agreement, including the obligations to consummate the Closing, without proof of actual damages or otherwise (and Seller hereby waives any requirement for the securing or posting of any bond in connection with such remedy), this being in addition to any other remedy to which Buyer is entitled at law or in equity. Buyer's rights in this Section 10.10 are an integral part of the transactions contemplated hereby and Seller hereby waives any objections to any remedy referred to in this Section 10.10.

(b) In addition, each of the parties (i) consents to submit itself, and hereby submits itself, to the personal jurisdiction of the Court of Chancery of the State of Delaware and any federal court located in the State of Delaware, or, if neither of such courts has subject matter jurisdiction, any state court of the State of Delaware having subject matter jurisdiction, in the event any dispute arises out of this Agreement or any of the transactions contemplated by this Agreement, (ii) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court, and agrees not to plead or claim any objection to the laying of venue in any such court or that any judicial proceeding in any such court has been brought in an inconvenient forum, (iii) agrees that it will not bring any action relating to this Agreement or any of the transactions contemplated by this Agreement in any court other than

the Court of Chancery of the State of Delaware and any federal court located in the State of Delaware, or, if neither of such courts has subject matter jurisdiction, any state court of the State of Delaware having subject matter jurisdiction, and (iv) consents to service of process being made through the notice procedures set forth in Section 10.5.

Section 10.11. Waiver of Jury Trial. EACH OF THE PARTIES TO THIS AGREEMENT HEREBY KNOWINGLY, INTENTIONALLY AND VOLUNTARILY IRREVOCABLY WAIVES ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 10.12. Guaranty. Kevin Adell (“Guarantor”), hereby (i) confirms that he owns approximately 86% of the voting stock of Seller, and Guarantor derives benefit from and desires to induce Buyer to enter into this Agreement, (ii) guarantees to Buyer the timely payment and performance in full of Seller’s post-Closing obligations under this Agreement, and (iii) agrees that the obligations of Guarantor are primary and direct and not conditioned or contingent upon pursuit of any remedies against Seller, and they are not limited or affected by any circumstance that might otherwise limit or affect the obligations of a surety or guarantor, all of which are hereby waived by Guarantor to the fullest extent permitted by law. Guarantor represents and warrants that he is duly authorized and has the capacity to execute this Agreement and perform the obligations set forth in this Section.
