

### **Assignee – Multiple Ownership Compliance & NCE Qualification**

The station authorizations that will be assigned as part of the proposed transaction are all licensed as non-commercial educational stations, and therefore do not implicate the FCC's radio station ownership restrictions. *See* 47 CFR §73.3555(f).

The proposed assignee is the licensee or permittee of numerous NCE stations and was previously approved by the FCC as qualified to be an NCE licensee in BPED-19890609MD.
