### Silent STA Request

Arlington Independent Radio (AIR) is requesting a special temporary authority (STA) to remain silent.

WERA-LP went off the air on Friday, March 22, 2024 at 3:40PM Eastern Daylight Time. The reason for going silent was due to the expiration of the lease for the studios and offices, equipment move and the need to determine a new location for the studios and offices. The transmitter site is in a different location and is not impacted by this lease expiration.

As such, AIR anticipates to be silent for at least 30 days and could remain silent for up to 6 months.

I have made the applicant aware of statutory license cancellation, pursuant to 47 USC §312(g). They anticipate returning well before one year.

If anyone has any questions, please let me know.

Thank you for your consideration.

/S/
