

### Attributable and Multiple Interests Irrelevant

Because this application seeks only the minor modification of the license for an existing noncommercial educational television station and does not seek any change in the ownership or control of the licensee, State Board of Education, State of Idaho, the question concerning equity and financial interests in the licenses is not applicable. Moreover, such a noncommercial educational TV station is not subject to the Commission's multiple ownership rules as set forth in Section 73.3555 of the Commission's Rules.
