RE: Reasonable Assurance of Tower Availability

We are willing to accept, and will process as quickly as possible, your application(s) for co-location at the site(s) identified below. If and when we determine that the site(s) can accommodate your proposed equipment and operations, we will proceed to negotiate the terms of a mutually acceptable co-location agreement with you.

- Crown Site Number 873944 located at 980 SW I Street, Bentonville, Ark. 72712 for the operation of a 20 watts ERP or less FM station at the frequency 97.7 MHz.

Sincerely,

Talia Jemison  
Regional Sales Manager
